Bio Products Laboratory

Attention: (b) (4)

Dear (b) (4) :

We have reviewed your submission dated July 25, 2013 to your biologics license application (BLA) for Coagulation Factor X (Human) requesting a proprietary name review.

In consultation with CBER's Advertising and Promotional Labeling Branch (APLB) we conclude that under the Federal Food, Drug, and Cosmetic Act and applicable regulations, your proposed proprietary name, REPLAFAC TEN, is acceptable at this time.

We will perform another proprietary name review of REPLAFAC TEN closer to the time of the action due date to ensure that we have not approved a conflicting proprietary name for another product in the interim.

If you have any questions, please contact Pratibha Rana at (301) 827-6124.

Sincerely yours,
