Subject: RE: Information request regarding the proposed carton label of June 20, 2016

Dear Dr. Margaretten:

We have reviewed the June 20, 2016, proposed carton label submitted via e-mail and have the following items:

1. You indicate that the sample carton label does not include the National Drug Code (NDC). However, we note that the NDC appears on the side panel of the sample carton label. Please clarify.
2. Please clarify if you intend to include the NDC on the final carton label.

Please submit the above information as an amendment to STN 125592/0.
