Subject: RE:STN 125592/0: Information Request to submit Final Study Report submitted under IND 15015.107 (enclosed) to the BLA

Dear Dr. Margaretten:

We have the following request for additional information regarding your biological license application (BLA):

On April 15, 2015, you submitted the enclosed Final Study Report entitled, "Chromosomal Aberration Test of Allergen Extract (b) (4) Obtained from Two Types of House Dust Mites (*Dermatophagoides pteronyssinus* and *Dermatophagoides farinae*) in Cultured Human Peripheral Blood Lymphocytes," under IND 15015.107.

Please submit this Final Study Report as an amendment to STN 125592/0.

Thank you.

Colleen Sweeney R.N., M.S.
