RECORD OF TELEPHONE CONVERSATION

Hi Nadine, we have the following information request for this BLA:

““Please provide the historical control data for the findings of late resorption (and the % resorption rate) in mice at the testing facility ((b) (4)) when the embryo-fetal development study (study#P120737) was conducted. These data can be compiled from the 5 year period during which the study was performed.”

Matthew Steele, PhD
