Subject: General questions and advisory committee date

Discussion:

Ms. Smith asked if an acknowledgement letter had been sent out for the BLA. I responded that the letter had been signed and was on it's way to Dendreon by mail.

I informed Ms. Smith that OCTGT would be discussing the BLA submission at the March 29 and 30, 2007 advisory committee meeting. I told her that Ms. Gail Dapolito would contact her regarding the deadlines for submitting a package.

Ms. Smith asked if there was any feedback regarding the imaging submission. I told her that there was no feedback at this time.

The call ended.
