

**DEVELOPING RABIES MONOCLONAL ANTIBODY PRODUCTS AS A
COMPONENT OF RABIES POST-EXPOSURE PROPHYLAXIS; PUBLIC
WORKSHOP—July 17, 2017**

Speakers and Panelists

Ilona Bebenek, PhD

Toxicologist, Division of Antiviral Products (DAVP)
Office of Antimicrobial Products (OAP)
CDER, FDA, Silver Spring, MD

Tanvir Bell, MD

Medical Officer, DAVP
OAP
CDER, FDA, Silver Spring, MD

Debra Birnkrant, MD

Director, DAVP
OAP
CDER, FDA, Silver Spring, MD

Jesse Blanton, PhD

Epidemiologist, Poxvirus and Rabies Branch
Centers for Disease Control and Prevention, Atlanta, GA

Catherine Brown, DVM, MPH

Deputy State Epidemiologist and State Public Health Veterinarian
Massachusetts Department of Public Health
State Laboratory Institute, Jamaica Plain, MA 02130

Sarah Connelly, MD

Medical Officer, DAVP
OAP
CDER, FDA, Silver Spring, MD

Edward Cox, MD, MPH

Director, Office of Antimicrobial Products
CDER, FDA, Silver Spring, MD

Damon Deming, PhD

Microbiologist
DAVP, OAP
CDER, FDA, Silver Spring, MD

Samir Desai

Senior Vice President
Zydus Cadila Healthcare Ltd.
Ahmedabad, India

James Ellison, PhD

Microbiologist
Poxvirus and Rabies Branch
Division of High-Consequence Pathogens and Pathology
Centers for Disease Control and Prevention, Atlanta, GA

Christine Fehlner-Gardiner, PhD

Research Scientist and Leader, Centre of Expertise for Rabies, Science Branch
Canadian Food Inspection Agency, Ottawa, Canada

Thomas Fleming, PhD

Professor, Biostatistics and Statistics
University of Washington, Seattle, WA

Richard Franka, PhD

Deputy Team Lead, Nigeria Team
Polio Eradication Branch
Centers for Disease Control and Prevention, Atlanta, GA

Zhen Fu, DVM, PhD

Interim Department Head, Veterinary Virologist
Department of Pathology
College of Veterinary Medicine
University of Georgia, Athens, GA

Bhagwat Gunale, MD

Senior Manager—Clinical Research
Clinical Research and Pharmacovigilance
Serum Institute of India PVT. LTD. Pune, India

Robin Levis, PhD

Deputy Director, Division of Viral Products
Office of Vaccines Research and Review
CBER, FDA, Silver Spring, MD

Deborah Molrine, MD

Deputy Director, Clinical Affairs
Professor of Pediatrics
MassBiologics, Boston, MA

Susan Moore, PhD

Clinical Assistant Professor; Director, KSVDL Rabies Laboratory
College of Veterinary Medicine
Kansas State University, Manhattan, Kansas

Robert Skip Nelson, MD, PhD

Deputy Director, Office of Pediatric Therapeutics
Office of the Commissioner
FDA, Silver Spring, MD

Dionne Price, PhD

Supervisory Mathematical Statistician
Office of Translational Sciences
CDER, FDA, Silver Spring, MD

Beatriz Quiambao, MD

Medical Officer V and Chief of the Clinical Research Division
Research Institute for Tropical Medicine
Manila, Philippines

Dorothy Scott, PhD

Supervisory Medical Officer/Principal Investigator
Office of Blood Research and Review
CBER, FDA, Silver Spring, MD

George Siberry, MD, MPH

Director for HIV Treatment, Care & TB
Senior Pediatric Technical Advisor
Office of the U.S. Global AIDS Coordinator (S/GAC)
U.S. Department of State, Washington, DC 20006

Sally Slavinski DVM, MPH

Assistant Director Zoonotic, Influenza and Vector-borne Disease Unit
Bureau of Communicable Disease, Queens, New York

Erin Grace Sparrow, MSc.

Project Officer
World Health Organization
Geneva, Switzerland

Geetha B. Srinivas, DVM, PhD

Head of Virology
APHIS/VS/CVB
US Department of Agriculture, Ames, IA

Holly Taylor, PhD, MPH

Associate Professor, Berman Institute of Bioethics
Johns Hopkins Bloomberg School of Public Health
Johns Hopkins University, Baltimore, MD

Louise Taylor, PhD

Scientific Director
Global Alliance for Rabies Control
Pittsburg, PA

Thamban Valappil, PhD

Mathematical Statistician
Office of Translational Sciences
CDER, FDA, Silver Spring, MD

Henry Wilde, MD

Department of Medicine, Faculty of Medicine
Chulalongkorn University and King Chulalongkorn Memorial Hospital
Bangkok, Thailand

Disclosures

Mr. Desai is a full time employee of Zydus Cadila

Dr. Fehlner-Gardiner has had research funded by Synermore Inc. in the recent past (2015-2107)

Dr. Gunale is full time employee of Serum Institute of India Pvt Ltd

Dr. Molrine is a full time employee at MassBiologics of the University of Massachusetts Medical School. The University of Massachusetts holds patents to human antibodies against rabies and MassBiologics has licensed its patent of a human monoclonal antibody for treatment of rabies to the Serum Institute of India Pvt, Ltd and is entitled to receive royalty payments thereunder.

Dr Quiambao has received research grants from Sanofi, GSK, Pfizer, Novartis, SK Chemicals and is on the speaker's bureau of Sanofi. She has also received travel grants for attendance to meetings and presentation of research results from Sanofi, GSK and Novartis.

Dr. Slavinski is a full time employee of the New York City Department of Health and Mental Hygiene

Dr. Taylor's salary is in part paid by a research grant to the Global Alliance for Rabies Control from GSK.
