Hi Pratibha,

Sorry that I didn't see your email as I was already on my way home.

Other than the viral NAT documents (for which I already asked you to send an IR to Biotest), I didn't see any other major deficiencies (re: product specifications, anti-Measles, anti-Diphtheria, (b)(4), etc) that would prevent filing of this submission.

Liza

Thank you for your filing memo/emails.

Some of us call in but ended the meeting since there are no deficiencies and filing issues to be discussed.

Thanks
Pratibha

Good Afternoon everyone,

I have to leave since my (b)(6)

I will call in for this meeting.

I am requesting that all of you send me an email as filing memo.

Please indicate weather you have any deficiencies. I will set the date for PMC T-28 day just in case if we need it.

If you all don't have any issues to discuss we may just satisfy this meeting via email.

Michael, Please let me know.

Thanks
