

October 20, 2017

Our STN: BL 125589/0

RESUBMISSION ACKNOWLEDGEMENT

Oxford Immunotec, Inc.
Attention: Wolfgang Pieken, PhD
315 Norwood Park South
Norwood, MA 02062

Dear Dr. Pieken:

We have received your October 8, 2017, resubmission to your Biologics License Application (BLA) for *Babesia microti* Arrayed Fluoresence Immunoassay (AFIA) on October 10, 2017.

The resubmission contains responses to the Form FDA 483 observations issued on March 10, 2017, CMC, and software information that you submitted in response to our June 13, 2017, complete response letter.

We consider this a complete, class 2 response to our action letter. Therefore, the action due date is April 11, 2018.

If you have any questions, please contact the Regulatory Project Manager, Iliana Valencia, at (240) 447-4377.

Sincerely yours,

Hira L. Nakhasi, PhD
Director
Division of Emerging and
Transfusion Transmitted Diseases
