Subject: BLA 125683/0 PNR Request

Dear Joan,

This email is to follow-up on a voice message I just left in your in-box. I am contacting you today to inform you that the Proprietary Name Review reviewer has found that your proposed primary PNR submitted (b) (4) will not be approvable. The reviewer has recommended that you submit a request to have the alternate name proposal (b) (4) reviewed, as this one seems to be acceptable. Please send your request as soon as possible, and acknowledge receipt of this email.

Best regards,

Candido
