Dr. Chance:

We are enclosing a copy of the Establishment Inspection Report (EIR) for the inspection conducted at your facility, Coastal Meds, LLC, located at 1759 Medical Park Dr., Suite C, Biloxi, Mississippi 39532, from March 12, 2018, to April 6, 2018, by the U.S. Food and Drug Administration (FDA). In addition, we are aware that your facility has shutdown its business. If you intend to resume compounding operations, we request you notify FDA at least thirty (30) days prior to resumption. We are also enclosing the letter sent to the Mississippi State Board of Pharmacy for follow up.

When the Agency considers an inspection to be "closed" under 21 C.F.R. 20.64(d)(3), it will release a copy of the EIR to the inspected establishment.

The Agency continually works to make its regulatory process and activities more transparent for regulated industry. Releasing this EIR to you is part of this effort. The copy being provided to you comprises the narrative portion of the report; it may reflect redactions made by the Agency in accordance with the Freedom of Information Act (FOIA) and 21 C.F.R. Part 20. This, however, does not preclude you from requesting and possibly obtaining any additional information under FOIA.
