## Mentoring

### Medical students

I have mentored numerous classes of medical students in my roles as Block Chair for the Human Sexuality and Reproduction block, Clerkship Director of the Obstetrics and Gynecology clerkship and Associate Dean of Students. I have been the faculty advisor for a number of student organizations as well as a member of the Medical Student Research Committee. I have been a clinical mentor for numerous medical students and have been the faculty research mentor for numerous medical students. Medical students have been first authors and co-authors on numerous oral and poster abstracts and on peer-reviewed publications. I have consistently received high marks from medical students as a clinical teacher, research mentor, and advisor. During my tenure as Dean of Students, graduating students gave our office and me exceptionally high ratings.

Students I have mentored during the block include:

- 2008: Timothy Erwin (Block 1)  
Mark Fischer (Block 2)  
Vanessa Martin (Block 3)  
Nika Aljainovic (Block 4)
- 2009: Randy Lahr (Block 5)  
Leanne Kildare (Block 6)  
Aaron Pierce (Block 1)  
Rachel Donohoe (Block 2)  
Health Menzer (Block 3)  
Megan Krispinsky (Block 4)
- 2010: Rahman Johnson (Block 5)  
Nina Gonzales (Block 6)  
Reza Safavi (Block 1)  
Gabriel Monthan (Block 2)  
Kate McCalmont (Block 3)  
Michael Bauer (Block 4)
- 2011: Laura Caragol (Block 5)  
Michael Puglia (Block 6)  
Lorenzo Rodriguez (Block 1)  
Beth Obenauf (Block 2)  
Rebecca Raymond (Block 3)  
Missy Begay (Block 4)
- 2012: Christina Brady (Block 5)

### Residents and Fellows

I have been the chosen mentor of a number of OB-GYN residents over the years, advising them during the length of the 4-year residency and presenting them at Resident-Day graduation and writing them letters of recommendation. Resident evaluations of my teaching and mentoring have been uniformly outstanding. Additionally, I have been a mentor to a number of residents, both in OB-GYN and Family Medicine, in research. Residents have been first authors and co-authors on numerous oral and poster abstracts as well as peer-reviewed publications and chapters. Recent and current resident mentees include Dr. Saul Rivas, Dr. Kylie Fowler, Dr. Erin Murata, and Dr. Heather Greene. I am the primary mentor for our family planning fellows, both in research and in advisement. I have assisted in their professional development through research, speaking engagements and connections with professional organizations. Current fellow mentees include Dr. Shannon Carr and Dr. Emily Schneider.

### Faculty

I have been a professional mentor to a number of faculty members, both at the University of New Mexico and at other universities nationally. I have assisted junior faculty in the department of Obstetrics and Gynecology in research, education and administration. Recent mentees at the University of New Mexico include Dr. Brenda Pereda, Dr. Rameet Singh, Dr. Sheila Hickey, and Dr. Joanna Hooper. I have been a professional mentor to a number of faculty members from other universities, assisting them with professional development through one-on-

one mentoring, national committee appointments, speaking engagements, assistance with salary negotiation, and research mentoring. Recent faculty mentees from other universities include Dr. Kathleen Wilder, Dr. Frances Casey, Dr. Nikki Zite, and Dr. Sarah Prager.
