Dear Mr. Pederson:

We are enclosing a copy of the Establishment Inspection Report (EIR) for the inspection conducted at your facility, Pharmacy Resources, Inc., located at 5290 E. Yale Circle, Suite 101, Denver, CO 80222, from January 9, 2019, to January 29, 2019, by the U.S. Food and Drug Administration (FDA). We acknowledge that your firm has closed as of August 1, 2019, and is no longer operational. If you decide to resume operations in the future, you are expected to take all necessary steps to assure compliance with the Federal Food, Drug, and Cosmetic Act and FDA's implementing regulations, and you should notify this office 15 days prior to resuming production of any drug products.

When the Agency concludes that an inspection is "closed" under 21 C.F.R. 20.64(d)(3), it will release a copy of the EIR to the inspected establishment.

The Agency continually works to make its regulatory process and activities more transparent for regulated industry. Releasing this EIR to you is part of this effort. The copy being provided to you comprises the narrative portion of the report; it may reflect redactions made by the Agency in accordance with the Freedom of Information Act (FOIA) and 21 C.F.R. Part 20. This, however, does not preclude you from requesting and possibly obtaining any additional information under FOIA.

If there is any question about the released information, please contact Matthew R. Dionne, Compliance Officer, via email at [Matthew.Dionne@fda.hhs.gov](mailto:Matthew.Dionne@fda.hhs.gov) or by phone at (303) 236-3064.
