Re: NDA 207960, Sequence 0395

QuilliChew ER[®] (methylphenidate hydrochloride) Extended-Release Chewable Tablets

RESPONSE TO PREA NON-COMPLIANCE LETTER

Dear Dr. Farchione

Reference is made to the Approval Letter for New Drug Application (NDA) 207960 for QuilliChew ER (methylphenidate hydrochloride) chewable tablets approved December 04, 2015 and to Investigational New Drug Application IND 111020. Reference is also made to the April 17, 2021 notification of non-compliance with PREA for not having submitted a pediatric assessment for post marketing requirement PMR 3009-3, received April 23, 2021. This submission includes a formal written response to the PREA non-compliance letter.

In response to the non-compliance letter, NextWave Pharmaceuticals, Inc., a subsidiary of Tris Pharma Inc. has submitted a deferral extension request to conduct the post marketing requirement studies PMR 3009-2 and 3009-3. The deferral request includes the reason for the delayed pediatric assessment and the dates by which we expect to submit the assessments.

This electronic submission has been scanned for viruses (see the Electronic Submission Specifications below) and is being sent via ESG.

Please forward any written communications and any questions or comments regarding this application to TrisRA@trispharma.com or telephone (732) 355-7027.

Sincerely,

Norma J
