Dear Ms. Rivas:

We completed our review of your SE Reports¹ and determined that the new tobacco products are substantially equivalent to the corresponding predicate tobacco products listed in Appendix A² and are in compliance with the requirements of the FD&C Act. Under the provisions of section 910 and 905(j) of the FD&C Act, you may introduce or deliver for introduction into interstate commerce the new tobacco products subject of this letter.

Our finding does not mean we “approved” the new products specified in Appendix A; therefore, you may not promote or in any way represent the new tobacco products specified in Appendix A, or the labeling, as being “approved” by FDA (see Section 301(tt) of the FD&C Act).

For information on how to fulfill the provisions of section 910(a)(4) of the FD&C Act, refer to Appendix B.

In accordance with 40 CFR 1506.6, we will make your Environmental Assessment (EA) publicly available.

All regulated tobacco products, including the tobacco products specified in Appendix A, are subject to the requirements of the FD&C Act and its implementing regulations. It is your responsibility to ensure the tobacco products specified in Appendix A complies with all applicable statutory and regulatory requirements. FDA will monitor your compliance with all applicable statutes and regulations.

¹ Substantially Equivalent (SE) Reports submitted under section 905(j) of the Federal Food, Drug, and Cosmetic Act (FD&C Act)

² In addition to comparing the new tobacco products to the predicate tobacco products named by the applicant, FDA also compared the new tobacco products in these SE Reports to the grandfathered tobacco products in SE0007204, SE0014444, SE0014932, SE0014933, SE0015298, SE0015300, SE0015427, SE0015501, SE0015502, SE0015503, SE0015617, SE0015633, and SE0015634. Although the new products have different characteristics than the grandfathered tobacco products in SE0007204, SE0014444, SE0014932, SE0014933, SE0015298, SE0015300, SE0015427, SE0015501, SE0015502, SE0015503, SE0015617, SE0015633, and SE0015634, FDA found that those differences do not cause the new tobacco products to raise different questions of public health, and thus the new tobacco products are also substantially equivalent to the grandfathered products in SE0007204, SE0014444, SE0014932, SE0014933, SE0015298, SE0015300, SE0015427, SE0015501, SE0015502, SE0015503, SE0015617, SE0015633, and SE0015634.
