

NDA 021610

**NOTIFICATION OF
NON-COMPLIANCE WITH PREA**

Endo Pharmaceuticals Inc.
1400 Atwater Drive
Malvern, PA 19355

Attention: Lisa Malandro, MBA
Vice President, Global Regulatory Affairs Liaison

Dear Ms. Malandro:

Please refer to your new drug application (NDA) submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (the Act) for Opana ER (oxymorphone hydrochloride) extended-release tablets, which was approved on June 22, 2006.

The Agency has determined that you have failed to meet the postmarketing requirement (PMR) of the Pediatric Research Equity Act (PREA) for this application because you have not yet submitted an adequate pediatric assessment for PMR 289-2, which was deferred until December 31, 2020. Therefore, we are hereby notifying you that due to your failure to submit either a pediatric assessment or a request for a deferral extension, you are not in compliance with federal law.

Under the provisions of section 505B(d)(1) of the Federal Food, Drug, and Cosmetic Act (FD&C Act) [21 U.S.C. 355c(d)(1)], you must respond in writing within 45 calendar days of the date of this letter. Your response should include the reason(s) for the delayed pediatric assessment and a date by which you expect to submit the assessment. You may also include a request for a deferral extension, if applicable, which should be identified as a **“DEFERRAL EXTENSION REQUESTED”** in your response.

In accordance with the FD&C Act, FDA will post this letter and your response to the website at <https://www.fda.gov/drugs/development-resources/non-compliance-letters-under-505bd1-federal-food-drug-and-cosmetic-act> with redactions for any trade secrets and confidential commercial information 60 calendar days from the date of this letter.

Please identify your response to this letter as a **“RESPONSE TO PREA NON-COMPLIANCE LETTER.”** To facilitate our review, submit this information to your NDA with a cross-reference letter to the investigational new drug application (IND) to which your protocol has been submitted.

If you have any questions, call Swati Patwardhan, Chief, Project Management Staff, at (301)796-4085.

Sincerely,

{See appended electronic signature page}
