

CURRICULUM VITAE

William C. Wilson, MD, MA
Senior Vice President, Chief Medical Officer, Masimo

52 Discovery | 3rd Floor | Irvine, CA 92868
714.415.8478 – Mobile | wcw@uci.edu

CURRENT POSITION: Sr VP, Chief Medical Officer, Masimo – Aug.5, 2021 - Present

CURRENT PROFESSIONAL & ADMINISTRATIVE RESPONSIBILITIES

Oversee Medical Affairs Department: Provide leadership, expertise on all matters pertaining to Patient Safety, Quality, and Experience at Masimo. *Interacts with Core Team (Engineering, Marketing, Regulatory, Compliance, OEM and Operations) to provide clinical feedback to optimize device quality and safety (helping to ensure the best patient outcomes). Ensures the Sales Team receives credible and reliable clinical support in field and on calls. Provides Engineering with practical clinical insights for device utilization and design, assisting in our technological journey to create the most elegant devices at the lowest cost.*

Oversee Clinical Research: Oversees the team that *reviews and conducts clinical research that advances Masimo product designs and adoption. Works with Engineering, Marketing and Sales Teams* to align vision regarding areas for clinical research.

Oversee Medical Communications: Assist Chief Science Officer (CSO) in leading Masimo approach to interacting with key opinion leaders (KOLs) who have used Masimo Equipment, and have conducted research on monitoring. Collaborating with CSO in supporting Scientific Advisory Boards, KOL Meetings and symposia at Major Scientific Meetings attended by Anesthesiologists: ASA / SCCM / IARS / SOCCA / AUA / SNACC / etc.

PAST PROFESSIONAL APPOINTMENTS (UCI Health System)

Chief Medical Officer – Aug. 2017 – July 2021
Interim Chief Medical Officer – Oct. 2016 – July 2017
Director of Critical Care Services Aug. 2013 – Oct. 2016
Clinical Professor of Anesthesiology Aug. 2013 – July 2021
Clinical Professor of Surgery July 2014 – July 2021
Clinical Professor of Medicine May 2015 – July 2021

PAST PROFESSIONAL APPOINTMENTS (UC San Diego Health System)

Vice Chairman, Department of Anesthesiology July 2009 – 2013
Chief, Division of Critical Care Medicine 1992 – 2013
Program Director, Critical Care Medicine Fellowship 2011 – 2013
Co-Director, Thornton ICU & Sulpizio Cardiovascular ICU 2011 – 2013
Co-Director, SICU/Trauma Unit 1992 – 2013
Co-Director, Neuro-Critical Care Service 2012 – 2013
Co-Director, San Diego VA Med-Surg ICU Service 2009 – 2011
Clinical Professor of Anesthesiology 2004 – 2013
Associate Clinical Professor of Anesthesiology 1998 – 2004
Assistant Clinical Professor of Anesthesiology 1992 – 1998

PAST PROFESSIONAL & ADMINISTRATIVE ROLES at UCLHEALTH

Chief Medical Officer, UCI Health System: Provided leadership, expertise, and oversight of all matters pertaining to Patient Safety, Quality, and Experience. Oversee medical staff affairs, Epidemiology and Infection Prevention, co-managed Transfer Center and patient progression throughout the institution. Responsible for developing strategic initiatives and programs for enhancing clinical effectiveness. Oversaw multidisciplinary efforts

to optimize population health through the entire continuum of care (hospital-to-home). Developed systems to improve the health of our community and lowered the cost of care for high-risk populations based on demographics, health disparities, diagnoses, and required services across the spectrum of disease and geographic location.

Oversee Physician Medical Directorships: Ensure hospital supported medical directors are actively involved in the oversight and improvement of the quality, safety, and satisfaction of clinical care provided for both hospitalized and ambulatory patients for in the UCI Health System.

UCI Telehealth Physician Champion: Lead efforts to expand telemedicine throughout the continuum of care. Expanding telemedicine networks for patients located at outside hospitals (e.g. telestroke), ambulatory clinics, skilled nursing facilities, and to vulnerable populations at home. Also, worked to establish an e-ICU program shared between UC Hospitals to provide clinical oversight and population management for our ICU patients. Goal: decrease LOS and mortality, while increasing throughput and enhanced opportunities for downstream capture of procedures and surgeries needed to keep patients safe.

Investigational Interests: Early Warning Systems for detection of patient instability; quality, safety and patient/family satisfaction metrics; difficult airway management, trauma resuscitation; pulmonary physiology; C-V support devices, and digital methodologies to monitor patient progression throughout the continuum of care.

MEDICAL TRAINING

U.C. San Diego	Residency, Anesthesiology	07/1989 - 06/1992
School of Medicine	In-Residence Fellowship,	01/1992 - 06/1992
San Diego, CA	(Cardiothoracic Anesthesiology)	
U.C. San Francisco	Fellowship, Critical Care	07/1988 - 06/1989
School of Medicine	Residency, General Surgery	07/1986 - 06/1988
San Francisco, CA	Internship, General Surgery	07/1985 - 06/1986
Temple University	MD Degree	07/1981 - 06/1985
School of Medicine		
Philadelphia, PA		

PREMEDICAL EDUCATION

Occidental College	MA, Molecular Biology	08/1980
Los Angeles, CA	MA Thesis: “ <i>Acylated tRNA levels in young and old rats</i> ”	
Occidental College	AB, Biochemistry	06/1979
Los Angeles, CA		

POST GRADUATE LEADERSHIP AND CERTIFICATION PROGRAMS

- 1) **TeamSteps Master Trainer Certification Course - AHA – 2019**
- 2) **American Association of Medical Colleges (AAMC), CMO Leadership Group – 2017-19**
- 3) **CANDOR (Communication and Optimal Resolution) Training – 2017 & 2019**
- 4) **Stanford Graduate School of Business, Executive Finance Certification Program - 2017**
- 5) **Greeley Company - Medical Staff Leadership Course - 2016**
- 6) **John Hopkins Lean 6 Sigma Prescription for Healthcare[®], Green Belt Certificate – 2013**
- 7) **Point of Care Ultrasound Instructor Course – 2013**

RECENT HONORS

- **Humanitarian of the Year Award** — Patient Safety Movement Foundation - Nov. 2018
- **National Clinical Leadership Committee Invited Member**– AHA 2018-2020
- **OC500** – One of 500 Influential Leaders in Orange County – OC Bus. Journal - 2020

- **Physician Leader of Excellence** Orange County 2020 & 2021

BOARD CERTIFICATIONS AND DIPLOMAS

- CCM Certification, American Board of Anesthesiology
Special Qualifications in Critical Care Medicine, September 6, 1997
- Diplomat, American Board of Anesthesiology (ABA), October 29, 1993
- Diplomat, National Board of Medical Examiners, 1986
- American Heart Association (AHA) CPR Provider
- AHA - Advanced Cardiac Life Support Provider
- American College Surgeons - Advanced Trauma Life Support (ATLS) Provider/Instructor

COMMITTEE SERVICE HISTORY (UCI Health)

University of California Office of the President (UCOP) Telehealth Strategy Team - 2015 - 2021
 UCOP CMO/CNO Committee – 2016 – 2021
 UCOP Health Quality & Safety Group – 2016 – 2021
 UCOP Healthcare Data Governance Board – 2016 – 2021
 Vice Chancellor’s Leadership Council – 2016 – 2021
 Governing Body Advisory Council – 2016 – 2021
 Health Affairs Dean’s Cabinet – 2016 – 2021
 Executive Compliance Committee – 2016 – 2021
 Executive Leadership Team – 2016 – 2021
 Strategic Plan Executive Committee – 2016 – 2021
 Quality and Safety Oversight Committee – 2013 – Present (Chair Dec. 2016 – 2021)
 Mortality Review Committee – 2013 – Present; (Chair Dec. 2016 – 2021)
 Critical Event Management Team – 2013 – Present; (Chair Dec. 2016 – 2021)
 Critical Care Committee– 2013 – Present (Chair 2013-2016)
 Medical Executive Committee – 2013 – 2021
 Quality and Safety Executive Council – 2013 – 2021
 Clinical Competency Committee (Chair) – Jul. 2014 – 2021
 Medication Safety Committee (CCM Chair) – Mar. 2014 – Dec. 2021
 Patient Transfer Excellence Committee (Chair) – Jan. 2014 – 2021
 Readmission Reduction Taskforce (Chair) Dec. 2016 – 2021
 Root Cause Analysis – 2013 – Present (Chair Dec. 2016 – 2021)
 Peer Review Committee (Chair) Dec. 2016 – 2021
 Patient Advisory Reporting System Committee (Chair) Dec. 2016 – 2021
 Health Referee Committee (Co-Chair) Dec. 2016 – 2021
 Safety Officer Group (Co-Chair) Dec. 2016 – 2021
 Perioperative Surgical Home Oversight Committee – 2013 – 2021
 CLER Graduate Medical Education Committee – Dec 2016 – 2021
 PRIME Steering Committee Dec. 2016 – 2021
 Utilization Management Committee Dec. 2014 – 2021
 Institute for Clinical & Translational Science Steering Committee Dec. 2016 – 2021
 Medical Ethics Committee Dec. 2016 – 2021

MEMBERSHIP IN PROFESSIONAL SOCIETIES

American Hospital Association (AHA)
 Society of Critical Care Medicine (SCCM)

Society of Critical Care Anesthesiologists (SOCCA)
American Society of Anesthesiologists
California Society of Anesthesiologists
Orange County Medical Society
Society for Airway Management
International Anesthesia Research Society
Society of Cardiovascular Anesthesiologists
American Association for the Advancement of Science
American Cancer Society – Executive Group, Orange County

SCHOLARLY EDITORIAL SERVICE

- Associate Editor - *International Trauma Care* – 2007-13
- Reviewer - *J Cardiothoracic and Vascular Anesthesia*, 1999-2001
- Reviewer - *Journal of Clinical Monitoring*, 1995-1996

300 MAJOR INVITED HONORARIUM-ASSOCIATED LECTURES: 1993-2019

1. **Mechanical Ventilation.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, San Diego, CA, January, 7, 1993.
2. **Mechanical Ventilation & Weaning.** Grand Rounds Lecture at Balboa Naval Hospital, Spring, 1993.
3. **Arterial Pressure Waveform Analysis.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, San Diego, CA, January 6, 1994.
4. **Application of ASA Difficult Airway Algorithm to the Traumatized Patient.** Review Course lecture and manuscript presentation at the Trauma Airway Meeting sponsored by the International Trauma Anesthesia and Critical Care Society (ITACCS), Dana Point, CA, May 13-15, 1994.
5. **Code Blue and You: The Anesthesiologist's Role in Code Blue Situations.** Review Course lecture and manuscript presentation at the Anesthesiology Update Course, San Diego, CA, January 5, 1995.
6. **The Cold Facts: Anesthetic Implications of Hypothermia.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, San Diego, CA, January 12, 1996.
7. **Significant Dysrhythmias and Cardiac Arrest.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, San Diego, CA, January 8, 1997.
8. **Mechanical Ventilation Part I: Basic Concepts.** Review lecture and syllabus presentation at Ain Shams University Conference on Anesthesia and Critical Care, Cairo, Egypt, November 20-22, 1997. – Supplemented by Virtual internet video feed to USA (first of kind).
9. **Mechanical Ventilation Part II: Newer Modes.** Review lecture and syllabus presentation at Ain Shams University Conference on Anesthesia and Critical Care, Cairo, Egypt, November 20-22, 1997. – Supplemented by Virtual internet video feed to USA (first of kind).

10. **The Cold Facts: Anesthetic Implications of Hypothermia.** Review lecture and syllabus presentation at Ain Shams University Conference on Anesthesia and Critical Care, Cairo, Egypt, November 20-22, 1997. – Supplemented by Virtual internet video feed to USA (first of kind).
11. **Arterial Pressure Waveform Analysis.** Review lecture and syllabus presentation at Ain Shams University Conference on Anesthesia and Critical Care, Cairo, Egypt, November 20-22, 1997. – Supplemented by Virtual internet video feed to USA (first of kind).
12. **Significant Dysrhythmias and Cardiac Arrest.** Review lecture and syllabus presentation at Ain Shams University Conference on Anesthesia and Critical Care, Cairo, Egypt, November 20-22, 1997. – Supplemented by Virtual internet video feed to USA (first of kind).
13. **Perioperative Hypoxia.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, San Diego, CA, January 7, 1998.
14. **Significant Dysrhythmias and Cardiac Arrest.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, San Diego, CA, January 7, 1998.
15. **Anesthesia in the High Risk Patient with Acute Renal Failure.** Review lecture and syllabus presentation at the Continuous Renal Replacement Therapies (CRRT) Meeting, San Diego, CA, March 7, 1998.
16. **Difficult Airway Considerations in the SICU.** Current Practice “state of the art” lecture and manuscript presentation at the California Society of Anesthesiologists Meeting, Hyatt Regency, San Francisco, June 6, 1998.
17. **Anesthesia For Thoracic Surgery.** Review Course lecture and manuscript presentation at the Ninth Annual Fall Seminar in Anesthesia, Kansas University, School of Medicine, September 19, 1998.
18. **Application of ASA Difficult Airway Algorithm to the Traumatized Patient.** Review Course lecture and manuscript presented at the Ninth Annual Fall Seminar in Anesthesia, Kansas University, School of Medicine, September 19, 1998.
19. **Nitric oxide (NO) in Anesthesia & Critical Care Medicine:** Overview, with focus on inhaled NO during Cardiothoracic Anesthesia. Review Course lecture and manuscript presentation at the NO and Pulmonary Medicine Conference, Radisson Hotel, San Diego, CA, Sept 26, 1998.
20. **Difficult Airway Considerations in the SICU.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, San Diego, CA, January 6, 1999.
21. **Hemodynamic Monitoring Principles and Pitfalls.** Review lecture and syllabus presentation at the Continuous Renal Replacement Therapies (CRRT) Meeting, San Diego, CA, March 12, 1999.

22. **Management of CRRT in the OR.** Review lecture and syllabus presentation at the Continuous Renal Replacement Therapies (CRRT) Meeting, San Diego, CA, (presented twice) March 11 & 12, 1999.
23. **Hypoxia in the SICU: Causes & Diagnosis.** Lecture and manuscript presentation at the UCSD Critical Care Medicine Meeting, Catamaran Resort Hotel, San Diego, CA, August 6, 1999.
24. **Problems in Hemodynamic Monitoring.** Review lecture and syllabus presentation at the UCSD Critical Care Medicine Meeting, Catamaran Resort Hotel, San Diego, CA, August 7, 1999.
25. **Ethics of Informed Consent.** Review lecture and syllabus presentation at the UCSD Medical Ethics Review Course, San Diego County Medical Society, San Diego, CA, October 19, 1999.
26. **Vascular Access and the Trauma Patient.** Review lecture and manuscript presentation at the ITACCS Post Grad Review Course entitled: *Trauma: The Clinical Challenge*, St Thomas, US Virgin Islands, December 5, 1999.
27. **Anesthetic Management of the Head Injured Patient.** Review lecture and manuscript presentation at the ITACCS Post Grad Review Course entitled: *Trauma: The Clinical Challenge*, St Thomas, US Virgin Islands, December 6, 1999.
28. **Hypothermia, Anesthesia and the Trauma Patient.** Review lecture and manuscript presentation at the ITACCS Post Grad Review Course entitled: *Trauma: The Clinical Challenge*, St Thomas, US Virgin Islands, December 7, 1999.
29. **EMD/PEA and the Trauma Patient.** Review lecture and manuscript presentation at the ITACCS Post Grad Review Course entitled: *Trauma: The Clinical Challenge*, St Thomas, US Virgin Islands, December 8, 1999.
30. **Airway Management for Trauma.** Review lecture and manuscript presentation at the ITACCS Post Grad Review Course entitled: *Trauma: The Clinical Challenge*, St Thomas, US Virgin Islands, December 9, 1999.
31. **Anesthesia For Thoracic Surgery.** Review Course lecture and manuscript presentation at the Anesthesiology Update Course, San Diego, CA, January 6, 2000.
32. **Intraoperative Management of the Unstable Patient with Massive Hemorrhage.** Review lecture and syllabus presentation at the Society of Gynecologic Oncologists (SGO) Post Grad Review Course San Diego Marriott, San Diego, CA, February 6, 2000.
33. **2001 Update in Critical Care.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, Grant Hotel, San Diego, CA, January 10, 2001.
34. **Anesthetic Management of the High Risk Renal Patient.** Review lecture and

syllabus presentation at the Annual Advanced Nephrology Conference, Coronado Island Marriott, Coronado CA, February 2, 2001.

35. **2002 Update - Anesthesia for Trauma.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, Grant Hotel, San Diego, CA, January 11, 2002.
36. **2003 Update Section on Trauma.** Review Course Moderator at the UCSD Anesthesiology Update Course, Grant Hotel, San Diego, CA, January 8, 2003.
37. **ATLS Concepts.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, Grant Hotel, San Diego, CA, January 8, 2003.
38. **Endpoints of Resuscitation.** Review Course lecture and manuscript presentation at the UCSD Anesthesiology Update Course, Grant Hotel, San Diego, CA, January 8, 2003.
39. **Application of the ASA Difficult Airway Algorithm to Trauma.** Review Course lecture and manuscript presentation at the International Trauma Anesthesia Critical Care Society (ITACCS) Trauma Care Symposium, Houston, TX, May 16, 2003.
40. **Difficult Airway Workshop.** Hands on Demonstration of Fiberoptic Bronchoscopy, and use of ETC & LMA as Difficult Airway Aids, at the International Trauma Anesthesia Critical Care Society (ITACCS) Trauma Care Symposium, Houston, TX, May 16, 2003.
41. **2004 Update Lecture #1– ATLS and The Golden Hour.** Review Course Moderator at the UCSD Anesthesiology Update Course, Grant Hotel, San Diego, CA, January 9, 2004.
42. **2004 Update Lecture #2 – Difficult Airway Management For Trauma.** Review Course Moderator at the UCSD Anesthesiology Update Course, Grant Hotel, San Diego, CA, January 9, 2004.
43. **2005 Update Lecture #1 – Trauma Airway Management Update of ASADA for Trauma.** Review Course Lecture at the UCSD Anesthesiology Update Course, Hilton Hotel, San Diego, CA, January 7, 2005.
44. **2005 Update Lecture #2 – Problem Based Lecture and Luncheon: Trauma Resuscitation Priorities.** Review Course Lecture at the UCSD Anesthesiology Update Course, Hilton Hotel, San Diego, CA, January 7, 2005.
45. **2006 Society of Cardiovascular Anesthesiologists (SCA) Annual Meeting – Problem Based Lecture: Pulmonary Artery Thromboendarterectomy: Problem Based Learning Discussion.** Review Course Lecture at the San Diego Harbor Marriot, San Diego, CA, May 3, 2006.
46. **Neuromuscular Blockade Drugs in the SICU: Basic Science and Clinical Use.**

Review lecture and manuscript presentation at the UCSD Critical Care Medicine Meeting, Catamaran Resort Hotel, San Diego, CA, July 6, 2006.

47. **Trauma and Critical Care: State of the Art.** Keynote Address at “TraumaCare 2007” Annual ITACCS Meeting, Las Vegas, Nevada, May 15, 2007.
48. **ASA Difficult Airway Algorithm for Trauma.** Review lecture and manuscript presentation at “TraumaCare 2007” Annual ITACCS Meeting, Las Vegas, Nevada, May 16, 2007.
49. **End of Life Ethics: Organ Donation after Cardiac Death.** Session Moderator and Discussion Leader at the UCSD Critical Care Medicine Meeting, Catamaran Resort Hotel, San Diego, CA, July 19, 2007.
50. **Sepsis Management: What’s New.** Session Moderator and Discussion Leader at the UCSD Critical Care Medicine Meeting, Catamaran Resort Hotel, San Diego, CA, July 19, 2007.
51. **Cytokines and Mortality in Aging Critically Ill.** Review lecture at the Society of Critical Care Medicine (SCCM) Annual Congress, Honolulu, Hawaii, February 5, 2008.
52. **Trauma: State of the Art.** Keynote Address at “TraumaCare 2008” Annual ITACCS Meeting, Yokohama, Japan, June 12, 2008.
53. **ATLS: What’s New.** Review lecture and manuscript presentation at “Trauma Care 2008” Annual ITACCS Meeting, Yokohama, Japan, June 13, 2008.
54. **Trauma Management: Testing the Experts.** Session Moderator and Discussion Leader at the UCSD Critical Care Medicine Meeting, Catamaran Resort Hotel, San Diego, CA, July 24, 2008.
55. **Critical Care Medicine Concepts of Relevance to Anesthesiology.** Session Moderator and Discussion Leader at the UCSD 2009 Anesthesiology Update Course, Kona Kai Resort and Spa, San Diego, CA, January 17, 2009.
56. **2009 Update – Infectious Disease Considerations for Anesthesiologists.** Review Course lecture and manuscript presentation at the UCSD 2009 Anesthesiology Update Course, Kona Kai Resort and Spa, San Diego, CA, January 17, 2009.
57. **Quality Outcomes in Critical Care: Outcome Assessment and Scoring, Infectious Disease, Thromboembolic Complications.** Session Moderator and Discussion Leader at the UCSD Critical Care Medicine Meeting, Catamaran Resort Hotel, San Diego, CA, July 23, 2009.
58. **2010 Update – Endpoints of Resuscitation for Trauma and Critical Illness.** Review Course Lecture at the UCSD 2010 Anesthesiology Update Course, Kona Kai Resort and Spa, San Diego, CA, January 16, 2010.

59. **2011 Update – Trauma Management and Blood Product Administration.** Review Course lecture at the UCSD 2011 Anesthesiology Update Course, Catamaran Resort and Spa, San Diego, CA, January 15, 2011.
60. **2012 Update – Update on the Rational Use of Blood Products.** Review Course lecture at the UCSD 2012 Anesthesiology Update Course, Catamaran Resort and Spa, San Diego, CA, January 12, 2012.
61. **Wilson WC: Trauma Airway Management.** Airway Management Review Course lecture at San Diego Naval Medical Center, San Diego, CA, December 2, 2012.
62. **Wilson WC: Infectious Disease and Anesthesiology.** Clinical Anesthesia: Perioperative Care Seminar Lecture at the 2009 Northwest Anesthesia Seminars, Kona, Hawaii, December 2, 2009.
63. **Wilson WC: Evaluation and Management of the Difficult Airway.** Clinical Anesthesia: Perioperative Care Seminar Lecture at the 2009 Northwest Anesthesia Seminars, Kona, Hawaii, December 2, 2009.
64. **Wilson WC: Extubation of the Difficult Airway.** Clinical Anesthesia: Perioperative Care Seminar Lecture at the 2009 Northwest Anesthesia Seminars, Kona, Hawaii, December 2, 2009.
65. **Wilson WC: Blood and Blood Product Management for Trauma.** Clinical Anesthesia: Perioperative Care Seminar Lecture at the 2009 Northwest Anesthesia Seminars, Kona, Hawaii, December 4, 2009.
66. **Wilson WC: Endpoints of Resuscitation for Trauma.** Clinical Anesthesia: Perioperative Care Seminar Lecture at the 2009 Northwest Anesthesia Seminars, Kona, Hawaii, December 4, 2009.
67. **Wilson WC: Hypothermia and Hyperthermia.** Clinical Anesthesia: Perioperative Care Seminar Lecture at the 2009 Northwest Anesthesia Seminars, Kona, Hawaii, December 5, 2009.
68. **Wilson WC: ATLS Principles for Anesthesiologists: 2010 Update.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Ft Lauderdale, FL, March 22, 2010.
69. **Wilson WC: ASA Difficult Airway Algorithm and the Trauma Patient.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Ft Lauderdale, FL, March 22, 2010.
70. **Wilson WC: Extubation of the Difficult Airway Trauma.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Ft Lauderdale, FL, March 22, 2010.
71. **Wilson WC: Fluid Resuscitation for Trauma.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Grand Turk Island, Turks and Caicos Island, March 23, 2010.
72. **Wilson WC: Blood and Blood Product Management for Trauma.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest

Anesthesia Seminars, Grand Turk Island, Turks and Caicos Island, March 23, 2010.

73. **Wilson WC: Endpoints of Resuscitation for Trauma & Large EBL Operations.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, At Sea on the Eastern Caribbean Cruise, March 26, 2010.
74. **Wilson WC: Infectious Disease Considerations for Anesthesiologists.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, At Sea on the Eastern Caribbean Cruise, March 26, 2010.
75. **Wilson WC: Trauma Anesthesia for the Elderly Patient.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, At Sea on the Eastern Caribbean Cruise, March 26, 2010.
76. **Wilson WC: Anesthesia for the Burn Patient.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, At Sea on the Eastern Caribbean Cruise, March 26, 2010.
77. **Wilson WC: Hypothermia and Hyperthermia.** Topics in Anesthesia: Eastern Caribbean Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, At Sea on the Eastern Caribbean Cruise, March 26, 2010.
78. **Wilson WC: Evaluation and Management of the Difficult Airway.** Clinical Concerns in Anesthesia: Alaska Explorer via Hubbard Bay Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, At Sea on the Alaska Explorer via Hubbard Bay Cruise, July 11, 2010.
79. **Wilson WC: Anesthesia for the Burn Patient – Extubation of the Difficult Airway.** Clinical Concerns in Anesthesia: Alaska Explorer via Hubbard Bay Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, At Sea on the Alaska Explorer via Hubbard Bay Cruise, July 11, 2010.
80. **Wilson WC: Fluid Resuscitation for Trauma.** Clinical Concerns in Anesthesia: Alaska Explorer via Hubbard Bay Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Juneau, Alaska, July 12, 2010.
81. **Wilson WC: Blood and Blood Product Management for Trauma.** Clinical Concerns in Anesthesia: Alaska Explorer via Hubbard Bay Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Juneau, Alaska, July 12, 2010.
82. **Wilson WC: Endpoints of Resuscitation for Trauma.** Clinical Concerns in Anesthesia: Alaska Explorer via Hubbard Bay Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Juneau, Alaska, July 12, 2010.
83. **Wilson WC: Trauma Anesthesia for the Elderly Patient.** Clinical Concerns in Anesthesia: Alaska Explorer via Hubbard Bay Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Victoria, B.C., July 16, 2010.
84. **Wilson WC: Burn Management.** Clinical Concerns in Anesthesia: Alaska Explorer via Hubbard Bay Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Victoria, B.C., July 16, 2010.

85. **Wilson WC: Evaluation and Management of the Difficult Airway.** Anesthesia Update: Emphasis on Trauma Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Jackson Hole, Wyoming, September 27, 2010.
86. **Wilson WC: Difficult Airway Management in Trauma.** Anesthesia Update: Emphasis on Trauma Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Jackson Hole, Wyoming, September 27, 2010.
87. **Wilson WC: Fluid Resuscitation for Trauma.** Anesthesia Update: Emphasis on Trauma Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Jackson Hole, Wyoming, September 29, 2010.
88. **Wilson WC: Blood and Blood Product Management for Trauma.** Anesthesia Update: Emphasis on Trauma Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Jackson Hole, Wyoming, September 29, 2010.
89. **Wilson WC: Endpoints of Resuscitation for Trauma.** Anesthesia Update: Emphasis on Trauma Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Jackson Hole, Wyoming, September 30, 2010.
90. **Wilson WC: Trauma Anesthesia for the Elderly Patient.** Anesthesia Update: Emphasis on Trauma Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Jackson Hole, Wyoming, September 30, 2010.
91. **Wilson WC: Hypothermia and Hyperthermia During Anesthesia.** Anesthesia Update: Emphasis on Trauma Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Jackson Hole, Wyoming, October 1, 2010.
92. **Wilson WC: ATLS Principles for Anesthesiologist: 2010 Update.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 5, 2010.
93. **Wilson WC: ASA Difficult Airway Algorithm and the Trauma Patient.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 5, 2010.
94. **Wilson WC: Extubation of the Difficult Airway Trauma.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 5, 2010.
95. **Wilson WC: Fluid Resuscitation for Trauma.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 6, 2010.
96. **Wilson WC: Blood and Blood Product Management for Trauma.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 6, 2010.
97. **Wilson WC: Endpoints of Resuscitation for Trauma & Large EBL Operations.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 6, 2010.
98. **Wilson WC: Trauma Anesthesia for the Elderly Patient.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 6, 2010.

99. **Wilson WC: Anesthesia for the Burn Patient.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 10, 2010.
100. **Wilson WC: Hypothermia and Hyperthermia.** Clinical Concerns in Anesthesia: Mexican Riviera Cruise Seminar Lecture at the 2010 Northwest Anesthesia Seminars, Mexican Riviera Cruise, December 10, 2010.

244. **Wilson WC: Massive Transfusion for Trauma and Large Blood Loss Procedures.** Lecture at the 2015 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Trauma Conference. Savannah, Georgia. Nov. 19, 2015.
245. **Wilson WC: Burn Evaluation and Management.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Topics in Anesthesia: Emphasis on Trauma Conference. Lake Tahoe, Nevada. Feb. 8, 2016.
246. **Wilson WC: Initial Trauma Evaluation and Management.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Topics in Anesthesia: Emphasis on Trauma Conference. Lake Tahoe, Nevada. Feb. 9, 2016.
247. **Wilson WC: Fluid Resuscitation for Trauma.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Topics in Anesthesia: Emphasis on Trauma Conference. Lake Tahoe, Nevada. Feb. 10, 2016.
248. **Wilson WC: Rapid Normalization of Coagulation Abnormalities.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Topics in Anesthesia: Emphasis on Trauma Conference. Lake Tahoe, Nevada. Feb. 10, 2016.
249. **Wilson WC: Infectious Disease and Anesthesia.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Topics in Anesthesia: Emphasis on Trauma Conference. Lake Tahoe, Nevada. Feb. 11, 2016.
250. **Wilson WC: Anesthetic Management of Traumatic Brain Injury.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Topics in Anesthesia: Emphasis on Trauma Conference. Lake Tahoe, Nevada. Feb. 12, 2016.
251. **Wilson WC: Initial Trauma Evaluation and Management.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 21, 2016.
252. **Wilson WC: ASA Difficult Airway for Trauma.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 21, 2016.
253. **Wilson WC: Extubation of the Difficult Airway.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 21, 2016.
254. **Wilson WC: Anesthesia for the Elderly.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 22, 2016.
255. **Wilson WC: Anesthesia for the Patient with Liver Disease.** Lecture at the 2016 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 22, 2016.

256. **Wilson WC: Infectious Disease and Anesthesia.** Lecture at the 2016 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 22, 2016.
257. **Wilson WC: Fluid Resuscitation for Trauma.** Lecture at the 2016 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 26, 2016.
258. **Wilson WC: Rapid Normalization of Coagulation Abnormalities.** Lecture at the 2016 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 26, 2016.
259. **Wilson WC: Perioperative Hypothermia.** Lecture at the 2016 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 26, 2016.
260. **Wilson WC: Perioperative Hyperthermia.** Lecture at the 2016 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 7-Day Alaska Explorer Cruise via Glacier Bay. Aug. 26, 2016.
261. **Wilson WC: Point of Care Ultrasound.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Aug. 29, 2017.
262. **Wilson WC: Clinical Pharmacology Review.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Aug. 29, 2017.
263. **Wilson WC: Allergy and Anaphylaxis.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Aug. 29, 2017.
264. **Wilson WC: Treatment of Pain, Agitation, and Delirium in the ICU.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Sept. 4, 2017.
265. **Wilson WC: Practical Review of Hemodynamic Medications.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Sept. 4, 2017.
266. **Wilson WC: Electrolyte Disorders.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Sept. 4, 2017.
267. **Wilson WC: Blood Pressure Management and CNS Outcomes.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Sept. 4, 2017.
268. **Wilson WC: Trauma in the Elderly.** Lecture at the 2017 Northwest Anesthesia Seminars (NWSA) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise.

Sept. 6, 2017.

269. **Wilson WC: Anesthesia for Thoracic Surgery.** Lecture at the 2017 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Sept. 6, 2017.
270. **Wilson WC: Infectious Disease and Anesthesia.** Lecture at the 2017 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia: 10 Night Greek Isles Cruise. Sept. 6, 2017.
271. **Wilson WC: Clinical Pharmacology Review.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Yosemite National Park, CA. June 4, 2018.
272. **Wilson WC: Electrolyte Disorders.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Yosemite National Park, CA. June 4, 2018.
273. **Wilson WC: Clinical Review of Hemodynamic Medications.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Yosemite National Park, CA. June 5, 2018.
274. **Wilson WC: Blood Pressure Management and CNS Outcomes.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Yosemite National Park, CA. June 5, 2018.
275. **Wilson WC: Infectious Disease and Anesthesia.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Yosemite National Park, CA. June 7, 2018.
276. **Wilson WC: Anesthesia for Burns.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Yosemite National Park, CA. June 8, 2018.
277. **Wilson WC: Treatment of Pain, Agitation, and Delirium in the ICU.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Anesthesia Update: Yosemite National Park, CA. June 8, 2018.
278. **Wilson WC: Rapid Sequence Induction: Review and Update.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Current Anesthesia Topics: Nassau, Bahamas. Nov. 28, 2018.
279. **Wilson WC: Initial Trauma Evaluation and Management.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Current Anesthesia Topics: Nassau, Bahamas. Nov. 28, 2018.
280. **Wilson WC: Allergy and Anaphylaxis.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Current Anesthesia Topics: Nassau, Bahamas. Nov. 29, 2018.
281. **Wilson WC: Clinical Pharmacology Review.** Lecture at the 2018 Northwest Anesthesia Seminars (NWAS) Current Anesthesia Topics: Nassau, Bahamas. Nov. 30, 2018.

282. **Wilson WC: Practical Review of Hemodynamic Medications.** Lecture at the 2018 Northwest Anesthesia Seminars (NWS) Current Anesthesia Topics: Nassau, Bahamas. Nov. 30, 2018.
283. **Wilson WC: Blood Pressure Management and CNS Outcomes.** Lecture at the 2018 Northwest Anesthesia Seminars (NWS) Current Anesthesia Topics: Nassau, Bahamas. Dec. 1, 2018.
284. **Wilson WC: Infectious Disease and Anesthesia.** Lecture at the 2018 Northwest Anesthesia Seminars (NWS) Current Anesthesia Topics: Nassau, Bahamas. Dec. 1, 2018.
285. **Wilson WC: Quality and Safety in Healthcare and the OR.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Current Topics in Anesthesia: Whistler, British Columbia, Canada. Mar. 18, 2019.
286. **Wilson WC: Allergy and Anaphylaxis.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Current Topics in Anesthesia: Whistler, British Columbia, Canada. Mar. 19, 2019.
287. **Wilson WC: Review of Pulmonary Physiology for the Anesthesia Provider.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Current Topics in Anesthesia: Whistler, British Columbia, Canada. Mar. 20, 2019.
288. **Wilson WC: Mechanisms of Hypoxemia.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Current Topics in Anesthesia: Whistler, British Columbia, Canada. Mar. 20, 2019.
289. **Wilson WC: Treatment of Pain, Agitation, and Delirium in the ICU.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Current Topics in Anesthesia: Whistler, British Columbia, Canada. Mar. 21, 2019.
290. **Wilson WC: Point of Care Ultrasound for the Anesthesia Provider.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Current Topics in Anesthesia: Whistler, British Columbia, Canada. Mar. 22, 2019.
291. **Wilson WC: Clinical Pharmacology Review.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 9, 2019.
292. **Wilson WC: Allergy and Anaphylaxis.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 9, 2019.
293. **Wilson WC: Point of Care Ultrasound for the Anesthesia Provider.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 9, 2019.
294. **Wilson WC: Quality and Safety in Healthcare and in the OR.** Lecture at the 2019 Northwest Anesthesia Seminars (NWS) Clinical Concerns in Anesthesia 9-Night

Pacific Coast Cruise. April. 9, 2019.

295. **Wilson WC: Dexmedetomidine: Principles and Practice.** Lecture at the 2019 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 13, 2019.
296. **Wilson WC: Practical Review of Hemodynamic Medications: Principles and Practice.** Lecture at the 2019 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 13, 2019.
297. **Wilson WC: Electrolyte Disorders.** Lecture at the 2019 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 13, 2019.
298. **Wilson WC: Blood Pressure Management and CNS Outcomes.** Lecture at the 2019 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 13, 2019.
299. **Wilson WC: Treatment of Pain, Agitation, and Delirium in the ICU.** Lecture at the 2019 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 13, 2019.
300. **Wilson WC: Anesthesia for the Elderly.** Lecture at the 2019 Northwest Anesthesia Seminars (NWAS) Clinical Concerns in Anesthesia 9-Night Pacific Coast Cruise. April. 15, 2019.

41 PRESENTATIONS at MAJOR MEDICAL & INNOVATION MEETINGS

1. **Wilson WC, Mays LL:** *In vivo* acylation of tRNA in Aging Rat Liver. Presented at Tenth annual meeting of the American Aging Association. Houston, TX, October 2, 1980.
2. Zipser RD, Little T, **Wilson WC:** Dual effects of antidiuretic hormone on urinary PGE₂ excretion in man. Presented by RD Zipser. Western Section of the American Federation of Clinical Research in Carmel, CA, 1981.
3. **Lower G.I. Malignancies:** a 20-year experience at San Francisco General Hospital. UCSF Surgical Grand Rounds. November, 1988.
4. **Acid Base Analysis in Critically Ill Patients,** University of California, San Francisco ICU Fellow Lecture, 1989.
5. **Assessment and Treatment of the Cyanotic Patient,** University of California, San Francisco ICU Fellow Lecture, 1989.
6. **Respiratory Failure and Supportive Measures,** University of California, San Francisco ICU Fellow Lecture, 1989.
7. **Wilson W, Lorenz P, Leigh B, Schechter W:** Squamous cell carcinoma of the anus and AIDS. Presented by P. Lorenz. American College of Gastroenterology,

New Orleans, Louisiana. October 23, 1989. (POSTER)

8. Crombleholme T, Schechter WP, **Wilson W**: Anal carcinoma: Change in incidence, natural history and treatment: A 23-year review of the UCSF-SFGH experience. Presented by T. Crombleholme. American Society of Clinical Oncology, San Francisco, CA, May 23, 1989.
9. Lorenz P, **Wilson W.**, Leigh B, Schechter W: Kaposi's sarcoma of the rectum in AIDS patients. Presented by P. Lorenz. 42nd Annual Meeting, The Southwestern Surgical Congress. La Quinta, CA, April 22-25, 1990.
10. **Wilson WC**, Swetland JF, Benumof JL, Laborde P, Taylor R: Effect of forane and nitrous oxide on exhaled breath H₂O₂ production. Talk presented at 1991 Western Anesthesia Resident Conference, Stanford, CA, March , 1991.
11. **Wilson WC**, Swetland JF, Benumof JL, Laborde P, Taylor R: General anesthesia and exhaled breath H₂O₂. Abstracts of Scientific Papers, 1991 Meeting, Paper Presentation at California Society of Anesthesiologists Annual Meeting, Anaheim, CA, May, 1991.
12. **Wilson WC**, Swetland JF, Benumof JL, Laborde: Exhaled breath H₂O₂ during general anesthesia and cardiopulmonary bypass. Talk presented at Society of Cardiovascular Anesthesiologists Annual Meeting, Boston, MA, May, 1992.
13. Dittrich HC, McCann HA, **Wilson WC**, et al.: Identification of interatrial communication in patients with elevated right atrial pressure using surface and transesophageal contrast echocardiography. Paper presented by Dittrich HC, American College of Cardiology 42nd Annual Scientific Session, March, 1993.
14. **Wilson WC**, Kaplanski D, Benumof JL, Johnson FW, Channick R: Inhaled nitric oxide during one-lung ventilation. Presented at American Society of Anesthesiologists 1995 Annual Meeting. Atlanta, Georgia, October 23, 1995.
15. **Wilson WC**, Kim TS, Channick RN, Johnson FW: Continuous ABG Monitoring During DHCA: A surrogate for brain monitoring. Presented at *International Anesthesia Research Society 1997 Annual Meeting*, March 18, 1997. Abstract Appeared in *Anesthesia and Analgesia* February 1997.
16. Hastings RH, Gambling DR, Gillin SA, **Wilson WC**, Garcia J, Hoyt DB: Incidence of Difficult Direct Laryngoscopy in Trauma Patients. Paper presented by S.A. Gillin at 1998 Western Anesthesia Resident Conference, Stanford, CA, March, 1998.
17. Hastings RH, Gambling DR, Gillin SA, **Wilson WC**, Garcia J, Hoyt DB: Incidence of Difficult Direct Laryngoscopy in Trauma Patients. Paper presented by Gillin SA, at California Society of Anesthesiologists Annual Meeting, San Francisco, CA, May, 1998.
18. Manecke GR, Frankville D, **Wilson WC**, Roth D, Greenberg M, Soonthon-Brant V, Kapelanski D, Jamieson SJ: Anesthesia for Pulmonary Thromboendarterectomy: experience with 1200 cases. Scientific and Educational Exhibit presented at the annual meeting of the American Society of Anesthesiologists, October 2000.
19. Manecke GR, Frankville D, **Wilson WC**, Roth D, Greenberg M, Soonthon-Brant

- V, Kapelanski D, Jamieson SJ: Anesthesia for Pulmonary Thromboendarterectomy: experience with 1200 cases. Poster-discussion presented at the annual meeting of the Society of Cardiovascular Anesthesiologists, Vancouver, B.C., May 2001.
20. Castaldo D, **Wilson WC**, Benumof JL, Wharenbroch EA: "Eager vs. Sun Controversy: The second gas effect does exist". 2002 Western Anesthesia Resident's Conference, 40th Annual Meeting, Catamaran Resort Hotel, San Diego, CA May 3-5, 2002.
"Winner WARC 2002 Resident Research Competition" - Selected For Presentation at CSA Meeting
 21. Castaldo D, **Wilson WC**, Benumof JL, Wharenbroch EA: "Eager vs. Sun Controversy: The second gas effect does exist". 2002 California Society of Anesthesiologists / UCSD Annual Meeting and Anesthesiology Refresher Course, Marriott Rancho Las Palmas, Rancho Mirage, CA, May 30-June, 2002
"Winner CSA 2002 Resident Research Competition" - First Prize Winner - Best Research Award
 22. **Wilson WC**, Benumof JL, Salem MR, Joseph N: **Difficult Airway Algorithms for Trauma**. Poster Presentation and Special Exhibit, at 2003 ASA Annual Meeting, San Francisco, CA, Oct.11-15, 2003.
 23. **Wilson WC**, Grande CM: **So You Want To Write a Textbook?** Abstract and Presentation, at "Trauma Care 2004" Annual ITACCS Meeting, Sydney, Australia, Oct.15-17, 2004.
 24. **Wilson WC: Trauma and Critical Care: State of the Art**. Abstract and Presentation at "TraumaCare 2007" Annual ITACCS Meeting, Las Vegas, Nevada, May 15, 2007.
 25. **Wilson WC: Cytokines and Mortality in Aging Critically Ill**. Lecture at the SCCM Annual Congress, Honolulu, Hawaii, February 5, 2008.
 26. **Wilson WC: Trauma: State of the Art**. Keynote Address at "TraumaCare 2008" Annual ITACCS Meeting, Yokohama, Japan, June 12, 2008.
 27. **Wilson WC: ATLS: What's New**. Lecture and manuscript presentation at "TraumaCare 2008" Annual ITACCS Meeting, Yokohama, Japan, June 13, 2008.
 28. McLaughlin KR, **Wilson WC**, Lee A, Sanchez R: **ABO Incompatible Repeat Orthotopic Liver Transplant**. Abstract and Poster Presentation presented by McLaughlin KR at the Western Anesthesiology Resident Conference (WARC), Loma Linda University, Rancho Los Palmas Resort, Rancho Mirage, CA, May 1 – 3, 2009. **3rd Prize Winner for Clinical Core Presentation**.
 29. **Wilson WC**, Grande CM, Smith CE, Camporesi EM (Editors): **Project SAFE**. Exhibit and Poster Presentation at the American Society of Anesthesiologists Meeting, New Orleans, LA, October 24-28, 2009.
 30. Mody NS, Chou HG, Minokadeh AM, O'Brien EO, Newhouse B, Kistler E, Robbins K, Pretorius V, Copeland J, **Wilson WC: Statin & amiodarone associated rhabdomyolysis in an LVAD patient: Role of TTE**. Abstract and Poster Presentation presented by Mody NS at the Western Anesthesiology Resident Conference (WARC), University of New Mexico, Hyatt Regency, Albuquerque, NM, May 10-11, 2013.

31. Chou HG, Gerstein N, Smith EA, Mody NS, O'Brien EO, Newhouse B, Kistler EB, Robbins K, Minokadeh A, Pretorius V, Copeland J, **Wilson WC: Postpartum Coronary Dissection: from TandemHeart to HeartMate II.** Abstract and Poster Presentation presented by Chou HG at the Western Anesthesiology Resident Conference (WARC), University of New Mexico, Hyatt Regency, Albuquerque, NM, May 10-11, 2013. **1st Prize Winner for Cardiovascular Anesthesia.**
32. Chou HG, Gerstein N, Mody NS, O'Brien EO, Newhouse B, Kistler EB, Robbins K, Minokadeh A, Pretorius V, Copeland J, **Wilson WC: Pandrug Resistant Pseudomonas aeruginosa Ventricular Assist Device Associated Infection.** Abstract and Poster Presentation presented by Chou HG at the Western Anesthesiology Resident Conference (WARC), University of New Mexico, Hyatt Regency, Albuquerque, NM, May 10-11, 2013.
33. Smith EA, Chou HG, Kobayashi L, Pretorius V, Madani, M, **Wilson WC: ICH after TandemHeart LVAD in 39 male with Acute Coronary Thrombosis & Coagulopathy.** Abstract and Poster Presentation presented by Smith EA at the Western Anesthesiology Resident Conference (WARC), University of New Mexico, Hyatt Regency, Albuquerque, NM, May 10-11, 2013.
34. **Wilson WC: Perioperative Surgical Home. Role of Clinical Pathways.** Lecture at the 2014 American Society of Anesthesiologists (ASA) Meeting: New Orleans, LA, Oct 19, 2014.
35. **Wilson WC: Keynote Address: e-ICU (Tele-Critical Care).** Lecture at the HIMSS So Cal Clinical Informatics Summit, Beckman Center, of the National Academy of Sciences and Engineering, Irvine, CA, May 19, 2017
36. **Wilson WC: Keynote Address: UCI Health Journey to High Reliability.** Lecture at Patient Safety Movement Foundation Mid-Year Planning Meeting, The Cove Innovation Center, Irvine, CA, Feb. 2018.
37. **Wilson WC: Keynote Address: Leveraging eICU Telemedicine Platform: Home Acute / Hyper-acute Care.** Lecture at SAFO – 2018, The Belmond, Charleston So Carolina, July 12, 2018.
38. **Wilson WC: Keynote Address: Commitment to zero harm x 2020. Lecture at Patient Safety Movement Foundation Annual Summit-Huntington Beach, CA, Jan 18/19, 2019.**
39. **Wilson WC: Keynote Address: Role of Artificial Intelligence in Patient Safety and Quality.** Lecture at Patient Safety Movement Foundation Mid-Year Planning Meeting, Beckman Center, of the National Academy of Sciences and Engineering, Irvine, CA, Sept.18, 2019.
40. **Wilson WC: ASA Symposium: Non-invasive Monitoring- Fluid responsiveness using the pleth variability index (PVi) and continuous hemoglobin (SpHb).** Featured speaker at the American Society of Anesthesiologists Annual Meeting, Oct. 3, 2020.
41. **Wilson WC: Becker's Healthcare Review Webinar: Non-invasive Monitoring- Fluid responsiveness using the pleth variability index (PVi) and continuous hemoglobin (SpHb).** Featured speaker at the Becker's Healthcare Review Webinar, Nov. 5, 2020.

5, 2017. (Abstract)

CASE REPORTS:

1. **Wilson WC**, Frankville DD, Maxwell W, Carpenter T, Hastings RH: Massive intraoperative pulmonary embolus diagnosed by transesophageal echocardiography. *Anesthesiology* 81(2):504-508, 1994.
2. **Wilson WC**, Shapiro HM, von Posern FA: Elevated intracranial pressure due to development of tension hydromediastinum and hydrothorax after central venous catheter placement. **In Preparation**

AUTHOR OF 71 BOOK CHAPTERS / REVIEW ARTICLES:

1. **Wilson WC**, Schechter WP. Hypothermia and Frostbite. In, Bongard FS, Wilson SE, Perry MO (eds). *Vascular Injuries In Surgical Practice*. Norwalk, CT: Appleton and Lange, pp. 253-260, **1991**.
2. **Wilson WC**, Frankville DD: Anesthetic techniques for laparoscopic procedures. In, Easter DW (ed): *New Applications of Laparoscopy*. Austin TX, R.G. Landis Co, pp. 14-23, **1992**.
3. **Wilson WC**, Shapiro HM: Anesthesia for Colorectal Operations. In, Block GE, Moossa AR (eds): *Operative Colorectal Surgery*.. Philadelphia, PA, W. B. Saunders, pp. 107-126, **1994**.
4. **Wilson WC**: Management of the transplant patient in the intensive care unit. In, Gelb AW and Sharpe MD (eds): Organ Transplantation. *Anesthesiology Clinics of North America* Philadelphia, PA, W.B. Saunders 12(4): pp. 807-826, **1994**.
5. **Wilson WC**: Application of the ASA difficult airway algorithm to the trauma patient (part 1): definition of difficult airway and review of ASA algorithm. In, Grande CM (ed): Trauma Anesthesia Quarterly. *Anesthesiology News* 21(5): pp. 22-25, **1995**.
6. **Wilson WC**: Application of the ASA difficult airway algorithm to the trauma patient (part 2): review of six frequently occurring trauma scenarios. In, Grande CM (ed): Trauma Anesthesia Quarterly. *Anesthesiology News* 21(6): pp.13-15, & 29, **1995**.
7. **Wilson WC**: Application of the ASA difficult airway algorithm. In, Hanowell LH and Waldron R (eds): *Airway Management*.. Philadelphia, PA, Lippincott-Raven Press, pp. 119-130, **1996**.
8. **Wilson WC**, Emergency airway management on the ward. In, Hanowell LH and Waldron R (eds): *Airway Management*. Philadelphia, PA, Lippincott-Raven Press, pp. 443-452, **1996**.
9. **Wilson WC**, Goskowicz, RG: Uncommon Poisoning and Intoxication. In, Jon L Benumof (ed): *Anesthesia and Uncommon Diseases (Fourth Edition)*. Philadelphia, PA, W.B. Saunders, pp.561-633, **1998**.

10. **Wilson WC**, Emergency Airway Management. In, Brown D (ed): *Cardiac Intensive Care*. Philadelphia, PA, W.B. Saunders, pp. 705-734, **1998**.
11. **Wilson WC**, Benumof JL: Pathophysiology, Evaluation and Treatment of the Difficult Airway. In, Breen PH, and Barash P (eds): *Anesthesiology Clinics of North America*. Philadelphia, PA, W.B. Saunders, 16(1): pp. 29-75, **1998**.
12. **Wilson WC**, Atlee John L: Difficult Airway 1 - Difficult Intubation. In, Atlee JL (ed): *Complications in Anesthesia*. Philadelphia, PA, W.B. Saunders, pp. 138-145, **1999**.
13. **Wilson WC**: Perioperative Hypoxia. In, Atlee JL (ed): *Complications in Anesthesia*. Philadelphia, PA, W.B. Saunders, pp. 175-181, **1999**.
14. **Wilson WC**, Patel N, Hoyt DB, Murphy MT: Perioperative Anesthetic Management of Patients with Abdominal Trauma. In, Grande CM, and Smith CE (eds): *Anesthesiology Clinics of North America*. Philadelphia, PA, W.B. Saunders, 17(1): pp. 211-236, **1999**.
15. **Wilson WC**, Vuylsteke A: Anesthesia for Pulmonary Thrombo-endarterectomy. In Ghosh S, Latimer RD (ed): *Thoracic Anaesthesia, Principles and Practice*. Oxford, England, UK, Butterworth-Heinemann, pp. 223-234, **1999**.
16. **Wilson WC**, Mehta RL.: Perioperative Anesthetic Management of the High Risk Renal Patient In, Lameire N, and Mehta RL,(eds). *Complications of Dialysis* New York, NY, Marcel Dekker, Inc., pp. 839-859, **2000**.
17. **Wilson WC**, Shapiro B: Perioperative Hypoxia: The Clinical Spectrum (Causes, Physiologic Response, Diagnosis & Treatment), and Current Oxygen Monitoring Methodology In, **Wilson WC** (ed): *Anesthesiology Clinics of North America*. Philadelphia, PA, W.B. Saunders, 19(4): pp. 769-812, **2001**.
18. **Wilson WC**, Aaronson S,: Oliguria-A sign of renal success or impending renal failure? Methods for perioperative identification, preparation and monitoring of patients at high risk for renal insufficiency. In, **Wilson WC** (ed): *Anesthesiology Clinics of North America*. Philadelphia, PA, W.B. Saunders, 19(4): pp. 841-884, **2001**.
19. **Wilson WC**: Clinical Approach To Acid-Base Analysis: Importance of the Anion Gap. In, **Wilson WC** (ed): *Anesthesiology Clinics of North America*. Philadelphia, PA, W.B. Saunders, 19(4): pp. 907-912, **2001**.
20. **Wilson WC**: Anesthesia for Thoracic Surgery. In Clinical Anesthesia Practice. Kirby RR, Gravenstein N, Gravenstein JS, Lobato EB, (eds) Philadelphia, PA, W.B. Saunders, pp. 1289-1347, **2002**.
21. Manecke GR, **Wilson WC**, Auger WR, Jamieson SW,: Chronic thromboembolic pulmonary hypertension, and pulmonary thromboendarterectomy. *Semin Cardiothorac Vasc Anesth*,9(3): pp. 189-204, **2005**.
22. **Wilson WC**, Benumof JL: Respiratory Physiology and Respiratory Function During Anesthesia. In: Miller's Anesthesia (6th Ed.). Miller RD , Fleisher L. Johns R, Savarase J, Weiner-Kronish J, Young W (eds) New York, NY, Churchill Livingstone, pp. 679-722, **2005**.
23. **Wilson WC**, Benumof JL: Anesthesia for Thoracic Surgery. In: Miller's

Anesthesia (6th Ed.). Miller RD, Fleisher L, Johns R, Savarase J, Weiner-Kronish J, Young W(eds) New York, NY, Churchill Livingstone, pp. 1847-1940, **2005**.

24. **Wilson WC**, Benumof JL: Physiology of the Airway. In: Benumof's Airway Management (2nd Ed.) Hagberg CA (ed) New York, NY, Mosby, pp. 115-163, **2007**.
25. Sanga P, Giesecke A, **Wilson WC**, Sutcliffe A: History of Trauma. In, **Wilson WC**, Grande CM, Hoyt DB. (eds): Trauma: Emergency Resuscitation, Perioperative Anesthesia, and Surgical Management New York, NY, Informa Healthcare, pp. 1-23, **2007**.
26. Changani SV, Papadacos PJ, **Wilson WC**, Ali W, Acosta JA: Resuscitation Suite and Operating Room Readiness. In, **Wilson WC**, Grande CM, Hoyt DB. (eds): Trauma: Emergency Resuscitation, Perioperative Anesthesia, and Surgical Management. New York, NY Informa Healthcare, pp. 83-100, **2007**.
27. Acosta JA, McCunn M, Beninati W, **Wilson WC**, Rappold JF: Transport of the Trauma Patient. In, **Wilson WC**, Grande CM, Hoyt DB. (eds): Trauma: Emergency Resuscitation, Perioperative Anesthesia, and Surgical Management. New York, NY Informa Healthcare, pp. 115-134, **2007**.
28. **Wilson WC**, Minokadeh A, Benumof JL, Frass M: Definitive Airway Management In, **Wilson WC**, Grande CM, Hoyt DB. (eds): Trauma: Emergency Resuscitation, Perioperative Anesthesia, and Surgical Management. New York, NY, Informa Healthcare, pp. 155-196, **2007**.
29. Tudor Hughs T, Acosta JA, Garfin S, **Wilson WC**, Schwartz AK: Cervical Spine: Initial Evaluation and Management. In, **Wilson WC**, Grande CM, Hoyt DB. (eds): Trauma: Emergency Resuscitation, Perioperative Anesthesia, and Surgical Management. New York, NY, Informa Healthcare, pp. 267-292, **2007**.
30. Hilty C, Minokadeh A, **Wilson WC**: General Anesthesia for Trauma. In, **Wilson WC**, Grande CM, Hoyt DB. (eds): Trauma: Emergency Resuscitation, Perioperative Anesthesia, and Surgical Management. New York, NY Informa Healthcare, pp. 365-384, **2007**.
31. Nieman-Yuen C, **Wilson WC**, Dawhan R: Cervical and Thoracic Vertebral Spine Trauma. In, **Wilson WC**, Grande CM, Hoyt DB. (eds): Trauma: Emergency Resuscitation, Perioperative Anesthesia, and Surgical Management. New York, NY, Informa Healthcare, pp. 501-516, **2007**.

EDITOR IN CHIEF / PRIMARY AUTHOR OF 4 MAJOR TEXTBOOKS

1. **Editor of Monograph; Monitoring During Critical Events. An edition of *Anesthesiology Clinics of North America*. W.B. Saunders Co. Dec. 2001, Volume 19, Number 4 (354 pages, 14 Chapters)**
2. **Editor in Chief of Textbook; TRAUMA: Emergency Resuscitation, Perioperative Anesthesia and Surgical Management. Wilson WC, Grande CR, Hoyt DB. Informa Healthcare, Inc. New York, NY, 2007. (867 pages, 42 Chapters)**
3. **Editor in Chief of Textbook; TRAUMA: Critical Care. Wilson WC, Grande CR, Hoyt DB. Informa Healthcare, Inc. New York, NY, 2007. (1319 pages, 74 Chapters)**
4. **Editor in Chief of Textbook; Sedation Airway for Everyone (SAFE[®]): Wilson WC, Smith CE, Camporesi EM, Grande CR AD!FX, Inc. Louisville, KY, Published Oct., 2013. (500 pages, 53 Chapters)**

Of the 4 Major Textbooks / Monographs, the below two represent monumental efforts in management and scholarly activity (Two 8.5 x 11 Hardcover Textbooks)

Book 1
844pp * 500 Figures
ISBN13: 978-0-82472-919-6

Book 2
1286pp * 400 Figures
ISBN13: 978-0-82472-920-2
