Committees;

Engagement Committee, help create brochure to be placed in Gastroenterologists offices throughout the country to inform Ostomy Patients about their rights, resources, etc. as well as other ways for UOAA to better Communicate with ostomy patients.

Education Committee, give my input into new patient guides for all types of ostomies.

Conference Committee, bi-annual national UOAA Conference.

Advocacy, Public Policy Forum Committee, representing UOAA at the Digestive Disease Network Coalition Public Policy Forum. I talked virtually with the staff of the U.S. House and Senate from Ohio, Indiana, Illinois about the Safe Step Act. This bipartisan bill, among other issues impacting patient access to care, would ensure proper coverage by insurance companies of prescribed ostomy prosthetic supplies such as fistula supplies and other medical supplies.
