

1

00:00:05,970 --> 00:00:07,118

That's what I thought I looked like.

2

00:00:27,850 --> 00:00:30,610

Put your phone and stuff up here, yeah.

3

00:00:38,100 --> 00:00:38,928

(unintelligible)

That's your call. We can continue to do this (unintelligible)

4

00:00:46,280 --> 00:00:47,495

Are you accompanying me out.

5

00:00:47,495 --> 00:00:49,380

Accompanying you out? Yes.

6

00:00:53,100 --> 00:00:54,375

If someone wouldn't mind

7

00:00:54,375 --> 00:00:56,500

recording on their cell phones.

8

00:00:56,500 --> 00:00:59,668

As I walk or I can get you mine.

9

00:00:59,670 --> 00:01:01,710

I can't trust these people regarding

10

00:01:01,710 --> 00:01:04,080

such a little bit off the hinges.

11

00:01:04,080 --> 00:01:05,088

Yeah, shaking McGee.

12

00:01:11,050 --> 00:01:11,310

Yeah.

13

00:01:20,500 --> 00:01:21,980

You got your phone. Yeah got it right here.

14

00:01:32,980 --> 00:01:34,250

I didn't hear the door. I didn't

15

00:01:34,250 --> 00:01:35,150

realize you were there. Sorry. (cough)

16

00:02:25,910 --> 00:02:27,550

Just saying, say nothing, Sean. (cough)

17

00:02:30,710 --> 00:02:31,350

Yeah.

18

00:02:37,190 --> 00:02:39,510

That ***** almost got

19

00:02:39,510 --> 00:02:41,680

caught. I don't give a ****.
