The system displays the application number, the current Status, the Certificate Type, and the Submitted Date.

You can use the up and down (orange-colored) arrows in the column headings to sort the application list in ascending or descending order.

### **View an Application**

To view an application, click on the Application Number hyperlink.

Once the application is displayed, you can print a copy of the application.

### **Modify an Application**

To modify an application, select the radio button to the left of the Application Number and choose 'Modify Application'.

**NOTE:** The application must be in a specific status to select the 'Modify Application' option. See the Modify Application or Request Additional Certificates online help section for more information on how to use these features after a search.

### **Clone Application**

At any time, you have the option to copy/clone an existing submitted application. To clone an application, select the radio button to the left of the Application Number and choose 'Clone Application'. The system will automatically create a copy of the application. The system will navigate to the final review page where you can submit the application or make the necessary edits prior to submitting the application.
