

Curriculum Vitae

Stamatia V. Destounis, MD, FACR, FSBI, FAIUM

EDUCATION AND PROFESSIONAL TRAINING

Breast Imaging Fellowship	Elizabeth Wende Breast Clinic Wende Logan-Young, MD, Director Rochester, NY July 1993 - June 1994 Breast Imaging
Residency	University of Rochester School of Medicine and Dentistry Strong Memorial Hospital Diagnostic Radiology Residency, July 1989 - June 1993
Internship	State University of New York Health Science Center at Syracuse, Internal Medicine Internship July 1988 - June 1989
Medical School	State University of New York, Health Science Center at Syracuse 1984 - 1988, M.D. May 1988
Undergraduate	State University of New York, Buffalo 1980 - 1984 B.S. Chemistry May 1984 Cum Laude

LICENSURE AND CERTIFICATION

1988	Medical Degree (MD) State University of New York, Health Science Center at Syracuse
1993	Board Certification in Diagnostic Radiology (ABR)
1998	Certification in Clinical Densitometry, International Society for Clinical Densitometry

PROFESSIONAL EXPERIENCE

2008 – Present	Elizabeth Wende Breast Care, LLC Rochester, NY Partner/Owner Managing Partner March 2016 - March 2018; February 2010 - March 2012
1994 – 2007	Elizabeth Wende Breast Clinic Rochester, NY, Attending Radiologist

CLINICAL RESEARCH EXPERIENCE

- 8/2018-2019 Clinical Site Principal Investigator
A Clinical Analysis of Bella Blankets Protective Coverlets Used to Increase the Image Quality of Mammograms, Aid as a Quality Standard for EQUIP Clinical Image Quality (CIQ) Compliance Measurements and Improve Patient Satisfaction
Sponsor: Beekley Medical
- 7/2018-2019 Clinical Site Investigator
Retrospective Collection of Digital Mammography and Tomosynthesis Images for Development and Clinical Evaluation of Imago's Software Devices.
Sponsor: Imago Systems, Inc.
- 7/2018- 3/2019 Clinical Site Investigator
An Image Acquisition Study to Collect Trident 2.0 Specimen Images for Algorithm Development
Sponsor: Hologic, Inc.
- 9/2017- 2/2019 Clinical Site Principal Investigator
A Prospective, Block Stratified Clinical Trial to Evaluate the Performance and Operation of the Brevera® Breast Biopsy System
Sponsor: Hologic, Inc.
- 9/2016- 10/2017 Clinical Site Principal Investigator
Breast Compression: Evaluating Image Quality and Comfort of an Investigational Curved Paddle Compared to a Standard Paddle
Sponsor: Hologic, Inc.
- 3/2016- 11/2017 Clinical Site Investigator
A prospective, multicenter, multi-arm, clinical case collection program to acquire breast image data and establish an image library of exams for use in future research studies, training, marketing, and advance new product development efforts.
Sponsor: Delphinus Medical Technologies, Inc.
- 1/2015- 7/2016 Clinical Site Principal Investigator
Pilot Study of Breast Tomosynthesis and Ultrasound Co-Registration
Sponsor: Hologic, Inc.
- 11/2014 – 8/2017 Clinical Site Principal Investigator
A prospective multi-center case collection study of breast imaging examinations from women with mammographically-detected lesion(s) to evaluate the non-inferiority of Digital Mammography (XRM) and Quantitative Transmission Ultrasound (QTUS) together compared to XRM and HandHeld Ultrasound (HHUS) together in the evaluation of lesion(s) detected with diagnostic mammography.
Sponsor: QT Ultrasound LLC.
- 6/2014 – 2017 Clinical Site Principal Investigator
Acquisition of Digital Mammography and Breast Tomosynthesis Images for Clinical Evaluation of Fujifilm Digital Breast Tomosynthesis
Sponsor: Fujifilm Medical Systems, USA

8/2013 – 2016	Clinical Site Principal Investigator A Pivotal Study of Imaging with Opto-acoustics to diagnose breast masses detected by mammography and / or clinical findings: A New Evaluation Tool for Radiologists Sponsor: Seno Medical Instruments, Inc.
10/2013 – 2016	Clinical Site Principal Investigator Acquisition of Mammography Clinical Images by the Fujifilm HONEY Full Field Digital Mammography System for possible future FDA submissions and product development Sponsor: FUJIFILM Medical Systems, USA
8/2013 - 2/2014	Clinical Site Principal Investigator Acquisition and Evaluation of Mammography Clinical Images By the FUJIFILM HONEY Full Field Digital Mammography System for a 510(k) Premarket Notification Clinical Evaluation Study Sponsor: FUJIFILM Medical Systems, USA
5/2013 - 9/2013	Clinical Site Principal Investigator OneScreen pilot and correlation study Sponsor: Sectra Medical Systems
5/2012 - 2/2014	Clinical Site Principal Investigator Acquisition of Mammography Images for Clinical Evaluation of FUJIFILM 3Dimensional Digital Mammography Sponsor: FUJIFILM Medical Systems, USA
9/2009 - 2013	Clinical Site Investigator A Multi-Center, Controlled Clinical Trial to Evaluate the Hologic Tomosynthesis Mammography System Sponsor: Hologic, Inc.
1/2010 – 2013	Clinical Site Investigator Koning Breast Computed Tomography (KBCT) for Breast Imaging With Intravenous Contrast Enhancement, Phase II Trial (DOD) Sponsor: Koning, Corp.
12/2007 - 11/2015	Clinical Site Investigator Cone Beam Computed Tomography for Breast Imaging and IV Contrast Enhanced Cone Beam Computed Tomography Breast Imaging Sponsor: Koning, Corp.
7/2009 - 2011	Clinical Site Principal Investigator; Study Principal Investigator Acquisition of Mammography Images by the Fuji Computed Radiography for Mammography (FCR/m) and Amulet Mammography Systems Sponsor: FUJIFILM Medical Systems, USA

1/2009 - 5/2012	Clinical Site Principal Investigator A Comparison of Short Acquisition Breast Tomosynthesis Mammography and Conventional Mammography in the Visualization and Characterization of Breast Calcifications Sponsor: Elizabeth Wende Breast Care, LLC
2/2009 - 4/2009	Clinical Site Investigator Collection of clinical and digital image data from symptomatic women undergoing ABUS as an adjunct to diagnostic x-ray mammography (XRM), who exhibit >50% parenchymal density Sponsor: U-Systems, Inc.
3/2008 - 9/2009	Clinical Site Principal Investigator Acquisition of Mammography Images by Fuji Computed Radiography for Mammography System (FCRm) Sponsor: FUJIFILM Medical Systems, USA
7/2007 - 2011	Clinical Site Principal Investigator Evaluation of Breast Lesions Using Ultrasound Elasticity Imaging Sponsor: Siemens Medical Systems, Inc.
12/2006	Clinical Site Principal Investigator Comparative Analysis of FCRm Acquired Mammograms Read With and Without Image Data Compression Sponsor: FUJIFILM Medical Systems, USA
2004 - 2006	Clinical Site Investigator ACRIN 6667: Screening Trial of Contralateral Breast with MRI Sponsor: ACRIN
2004 – 2005	Clinical Site Principal Investigator Computer Aided Detection Development Sponsor: Eastman Kodak Co.
2003 - 2005	Clinical Site Investigator American College of Radiology Imaging Network: Digital Mammography Imaging Screening Trial. Sponsor: ACRIN
2000 - 2007	Clinical Site Principal Investigator Automated Breast Ultrasound System and clinical utility in the detection and characterization of breast lesions Sponsor: U-Systems, Inc.
1998 – 2002	Clinical Site Principal Investigator Retrospective and prospective studies utilizing CAD by R2

PROFESSIONAL HONORS AND AWARDS

2020	Outstanding Reviewer award Journal of Breast Imaging
2017	Fellow, American Institute of Ultrasound in Medicine
2016	Best original article award, Journal of Clinical Imaging Science 2013-2014 for "Preliminary Clinical Experience of Breast Tomosynthesis in the Visualization of Breast Microcalcifications"
2015	Senior Member, American Institute of Ultrasound in Medicine
2008	Member American Institute of Ultrasound in Medicine
2014	Volunteer Award ABR for years 2009-2013
2011	American College of Radiology Fellow
2010	Society of Breast Imaging Fellow
2010	Mary Grace Ryan Pillar of Hope Award, American Cancer Society
2009	Rochester Business Journal's 2009 Health Care Achievement Awards
2007	Breast Imaging Center of Excellence, American College of Radiology
2001	National American Cancer Society Reach to Recovery Award of Excellence
1996 – 2012	University of Rochester School of Medicine and Dentistry Certificates of Appreciation for Teaching and Board Preparation Reviews, Radiology Residency Program

TEACHING EXPERIENCE

2014 – Present	Clinical Professor Department of Imaging Sciences University of Rochester School of Medicine and Dentistry, Rochester NY
2009 – Present	Breast Imaging Fellowship EWBC Fellowship program
1994 – Present	Teaching and supervision of visiting medical students, residents, and other health care professionals visiting EWBC facility as part of their training or additional education
1996 – Present	Case Reviews Radiology Residency Program University of Rochester School of Medicine and Dentistry

2/2005 - 2/2014	Clinical Associate Professor of Radiology University of Rochester School of Medicine and Dentistry Strong Memorial Hospital
1996 - 2004	Clinical Assistant Professor of Radiology University of Rochester School of Medicine and Dentistry Strong Memorial Hospital
1997-1998, 2013-2014	Breast Imaging Fellowship Director EWBC

PROFESSIONAL SOCIETY MEMBERSHIPS

American College of Radiology
 American Medical Association
 American Roentgen Ray Society
 International Society for Clinical Densitometry
 Monroe County Medical Society
 New York State Radiological Society
 Radiological Society of North America (RSNA)
 Rochester Academy of Medicine

PANELS AND COMMITTEES

7/2021-7/2022	Deputy Editor, Academic Radiology
6/2021-	Chair, ACR Breast Commission
2020 - Present	ACR Practice Parameters Committee member
2019 - Present	ACR BI-RADS Committee member
2018 - 2019	ACR Task Force on BIRADS DBT with completion of DBT supplement for ACR Atlas
2019- Present	Chair, ACR Breast Economics Committee
2018 - Present	Chair, ACR Committee on Breast MRI Quality and Accreditation
2017- Present	ACR Commission on Breast Imaging ACR Committee on Accreditation Chairs ACR Committee on Breast MRI Quality and Accreditation
2016 - 2018	AIUM Clinical Standards Committee Member

2016 -2020	Chair, SBI Patient Care and Delivery Task Force/Committee
2016 – Present	Member SBI Patient Care and Delivery Task Force/Committee
2016, 2019, 2021	SBI/ACR Breast Imaging Symposium Program Committee
2016 - Present	Member ACR Commission on Breast Imaging - liaison for the Patient Centered Task Force SBI
2016	ACOG Women’s Preventive Services Initiative Multidisciplinary Steering Committee ACR Representative
2016 – 2019	ARRS Chair and Co-Chair “Approach to Diagnosis” Review Course-Breast
2016 - Present	Hologic Medical Scientific Advisory Committee for Breast and Skeletal Health
2015 - 2016	SBI Corporate Foundation Committee
2015	Representative for SBI to ACR Leadership meeting Colorado meeting
2015 – Present	Medical Advisory Team, DenseBreast-info.org
2014 – Present	RSNA R&E Foundation Fund Development Committee, including Individual Giving, and Corporate Sub-committees
2016 - Present	RSNA R&E Foundation Board of Trustees
2008 – Present	RSNA Public Information Advisory Network (PIAN)
2017 – Present	RSNA Public Information Committee (PIC)
2014 – Present	RSNA Breast Subcommittee of the Education Exhibits Committee (EEC)
2016 –2019	Chair, RSNA Breast Subcommittee of the Education Exhibits
2013 – Present	ARRS Scientific Program Subcommittee- Breast Imaging Section
2012 – 2018	ARRS Corporate Committee
2012 – 2016	Society of Breast Imaging Newsletter Editorial Staff
2015—Present	Society of Breast Imaging Fellows Committee
2018-Present	Journal of Breast Imaging Editorial Board
2011 – 2013	Alternate Council and Council for SBI to ACR leadership meeting annual meeting
2011 – Present	American College of Radiology Economics Committee

2011 – Present	American College of Radiology Magnetic Resonance Imaging (MRI) Breast Accreditation Reviewer
2011 – Present	American College of Radiology Magnetic Resonance Imaging (MRI) Breast Committee
2011 – Present	American College of Radiology Ultrasound (US) Breast Accreditation Reviewer
2011 – Present	American College of Radiology Ultrasound Committee
2011	Food and Drug Administration (FDA) Office of Women's Intramural Scientific Research Program,
2010 – Present	The Indian Journal of Cancer, Article Reviewer
2010 – Present	Journal of Clinical Imaging Science, Article Reviewer
2010 – Present	Journal of Digital Imaging, Article Reviewer
2010 – Present	Journal of Ultrasound in Medicine, Article Reviewer,
2010 - Present	Journal of Ultrasound in Medicine, Breast Subspecialty Editor
2010 – 2013	Philips Medical Advisory Committee
2009 – Present	Asia-Pacific Journal of Clinical Oncology, Article Reviewer
2007 – Present	American Journal of Roentgenology, Article Reviewer
2016—Present	AJR Assistant Editor Breast Section
2007 – Present	Diagnostic Imaging, Journal Editorial Advisory Board
2014 – 2018	Volunteer, Gilda's Club Board of Directors
2014 – Present	Radiology Today Editorial Advisory Board
2007 – Present	Fuji CAD Advisory Medical Committee
2000 – Present	American Cancer Society Medical Advisory Team
1996 – 2006	RIPA (Rochester Individual Physician Association) Radiology Task Force
2002 – 2011	Preferred Care Women's Health Care Team
1996 – 2000	Monroe County Women's Health Partnership Medical Team
2000 – 2006	U-Systems Medical Advisory Committee

2008, 2010, 2012, 2013	American Board of Radiology Examiner
2008 – 2009	Siemens Medical Solutions Ultrasound Division (USD) Breast Imaging Advisory Board
2006 – 2007	Konica Minolta Computed Radiography, Advisory Committee Chairperson
2005 – 2008	Community Technology Advisory and Assessment Committee and Executive Board member
2005 – Present	RSNA Second Opinion Committee Member
2005 – 2006	R2 CAD Medical Advisory Board
2004 – 2006	Kodak CAD Advisory Committee
2002 – 2005	American Cancer Society, Eastern Division, Board of Director
