# The Personal Care Products Council

Thomas Myers | EVP-Legal & General Counsel

# About PCPC

Founded in 1894, the Personal Care Products Council (PCPC) is the leading national trade association representing cosmetics and personal care products companies and serving as the voice on scientific, legal, regulatory, legislative and international issues for the \$529.3 billion global industry.

PCPC's 600 member companies represent more than 90% of the U.S. beauty industry and are some of the most beloved brands in beauty and personal care today. They manufacture, distribute and supply the vast majority of personal care products marketed in the U.S. and are global leaders committed to product safety, quality and innovation.

# General Comments

- Look forward to participation in the OMUFA reauthorization process
- Represent sunscreen manufacturers and suppliers and will bring those important perspectives to this process
- Have been working closely with FDA on the implementation of cosmetic reform legislation (MoCRA) and look forward to continuing that successful relationship during OMUFA process

# Specific Comments

- PCPC welcomes the opportunity to work with FDA towards:
  - More fulsome engagement by FDA in regulated community
  - Increased transparency, including a regular cadence of meetings
  - A better understanding of the process through which FDA accepts scientifically robust New Approach Methods for assessing toxicology

**Thank you**
