Polyhexanide	0.03g/100ml
Cypermethrin	0.25g/100g

Purpose

Antiseptic
Antiseptic
Insecticide

A BROAD SPECTRUM TOPICAL ANTISEPTIC SPOT TREATMENT WITH INSECTICIDE

LEGAL STATUS: In order to be legally marketed, a new animal drug intended for minor species must be Approved, Conditionally Approved, or Indexed by the Food and Drug Administration.

THIS PRODUCT IS INDEXED - MIF 900-010.

Extra-label use is prohibited.

Store between 15° - 30°C (59° to 86° F) in dry conditions

3.5fl.oz

Uses:

For use as a topical antiseptic for surface wounds, to repel flies and to treat infestations due to fly strike in raptors, pet birds, captive small mammals, captive reptiles and captive exotic /zoo mammals.

Use only when there is a reasonable certainty that the treated animal will not be consumed by humans or food-producing animals.

Do not use: Do not use with soaps or other chemicals.

This product is extremely toxic to fish, aquatic invertebrates, oysters and shrimp. Do not apply directly to or near water.

Human Warnings:

Not for use in humans.

Keep out of reach of children.

Do not contaminate food, water, eating utensils, or food contact surfaces. Wash hands before eating or drinking.

If accidentally ingested, contact a Poison Control Center or a doctor. Do not induce vomiting unless advised by the Poison Control Center or a doctor.

If accidental eye contact, hold eye open and rinse with water for 10 minutes. Seek medical help if necessary. Avoid breathing of spray mist.

Directions for Use:

Use disposable gloves during application and wash hands thoroughly after use.

Use only in well ventilated areas.

Clean the wound prior to application. Apply a maximum of 5 applications per animal with multiple wounds (1 - 2 sprays per wound). Spray only the wound site. Repeat once a week, if necessary or as advised by your veterinarian.

This product is water soluble and should be reapplied if animal is bathed or exposed to rain. If the wound persists or worsens, contact your veterinarian.

Disposal:

Do not reuse container. If empty, place in trash or recycle if available. If partly filled, contact your local solid waste agency for disposal instructions.
