

FDA Staff Manual Guides, Volume I – Organizations and Functions

Department of Health and Human Services

Food and Drug Administration

Human Foods Program

Office of Policy and International Engagement

Effective Date: May 13, 2024

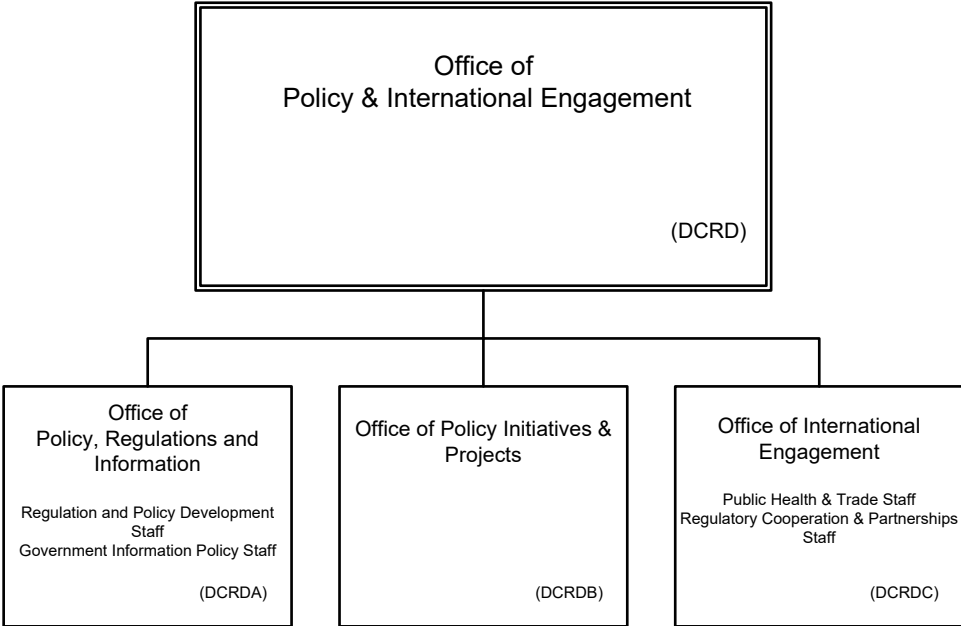

1. Office of Policy and International Engagement (DCRD).

- A. Provides oversight and leadership in the development of all regulations, guidance, policies, procedures, citizen petition responses, and new legislation impacting the Human Foods Program (HFP).
- B. Oversees implementation of the Paperwork Reduction Act (PRA) and the disclosure of official records and information under the Freedom of Information Act (FOIA), Privacy Act, other statutes, and the Food and Drug Administration's (FDA's) public disclosure regulations for the HFP.
- C. Leads cross-cutting HFP policy development under the Federal Food, Drug, and Cosmetic Act and other applicable statutes, including food safety modernization activities; policy activities involving new and emerging technologies, tools, and innovative approaches to modernize the food safety system.
- D. Leads HFP special projects, environmental reviews, and health equity activities including supporting the HFP Ombudsman function.
- E. Oversees international food safety, nutrition, and/or trade issues, policy, and programs.
- F. Leads HFP efforts to proactively engage in strategic partnerships around the world for the safety of food imports/exports as well as strong global food safety systems.

2. Authority and Effective Date.

The functional statements for the Office of Policy and International Engagement were approved by the Secretary of Health and Human Services on March 5, 2024 and effective on May 13, 2024.
