**Department of Health and Human Services**

**Food and Drug Administration**

**Human Foods Program**

**Office of Compliance and Enforcement**

**Office of Compliance Operations and Implementation**

**Division of Compliance Implementation**

Effective Date: May 13, 2024

**1. Division of Compliance Implementation (DCRIAB).**

- A. Develops, implements, and actively monitors Human Foods Program (HFP) issued assignments to the Food and Drug Administration's (FDA) inspections and investigations program, including compliance follow-up assignments.
- B. Provides HFP compliance and enforcement policy-related support for FDA-wide crosscutting initiatives (like economic adulteration and cannabidiol (CBD) matters).
- C. Develops and/or coordinates across Office of Compliance and Enforcement (OCE) in the development of compliance and enforcement related aspects of FDA training courses covering HFP information.
- D. Provides compliance and enforcement review, input, problem-solving and technical assistance for HFP guidance documents, regulations, and priorities.
- E. Provides OCE leadership for HFP enforcement and compliance quality management and Standard Operating Procedure (SOP) development.
- F. Provides HFP leadership for the maintenance of crosscutting compliance and enforcement policy documents, such as the Regulatory Procedures Manual (RPM) and Staff Manual Guides (SMGs).

## **2. Compliance Policy and Procedures Branch (DCRIAB1).**

- A. Provides compliance and enforcement policy-related input for office-wide crosscutting initiatives (like economic adulteration and CBD).
- B. Develops or coordinates across OCE in the development of HFP compliance and enforcement related aspects of FDA training courses.
- C. Provides compliance and enforcement review, input, problem-solving and technical assistance for HFP guidance documents, regulations, and priorities.
- D. Provides leadership for enforcement and compliance quality management and SOP development.
- E. Provides HFP leadership for the maintenance of crosscutting policy documents, such as the RPM and SMG.

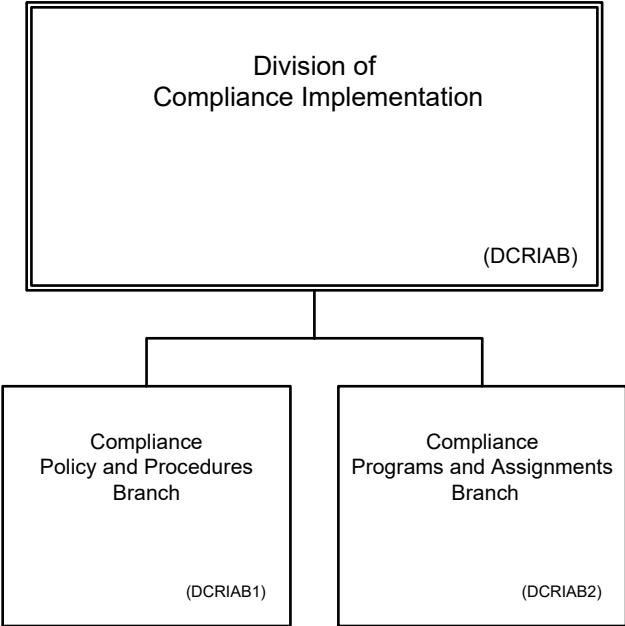

## **3. Compliance Programs and Assignments Branch (DCRIAB2).**

- A. Develops, issues, and actively monitors field assignments, including compliance follow-up assignments.
- B. Develops, updates and issues Compliance Programs for foods and dietary supplement products. Actively monitors work completed under established Compliance Programs, including compliance follow-up assignments.
- C. Develops compliance program- and field assignment-related aspects of FDA training courses.
- D. Facilitates cross-organizational discussion to establish inspectional or sampling approaches for use in assignments and compliance programs.

## **4. Authority and Effective Date.**

The functional statements for the Division of Compliance Implementation were approved by the Secretary of Health and Human Services on March 5, 2024, and effective on May 13, 2024.
