Education

Infectious Diseases Fellowship, University of Michigan, Ann Arbor, MI	1991 - 1994
Internal Medicine Residency, University of Michigan, Ann Arbor, MI	1988 - 1991
M.D., with Honors, University of Illinois, Chicago, IL	1984 - 1988
B.S., summa cum laude in Biology, Loyola University, Chicago, IL	1980 - 1984

Current Positions

Director, Division of Infectious Diseases Loyola University Medical Center (LUMC), Maywood, IL	2019 - present
Co-Director, Infectious Disease & Immunology Research Institute Loyola University Chicago Stritch School of Medicine, Maywood, IL	2017 - present
Director, Transplant Infectious Diseases Program, LUMC, Maywood, IL	2012 - present
Director, HIV/AIDS Program, LUMC, Maywood, IL	2014 - present
Director, Travel Medicine Clinic, LUMC, Maywood, IL	2017 - 2020
Assistant Section Chief, Infectious Diseases, Edward Hines Jr. VA, Hines, IL	2021 - present
Attending physician, Edward Hines Jr. VA, Hines, IL	2021 - present

Prior Professional Experience

Clinical Director, Division of Infectious Diseases LUMC, Maywood, IL	2018 - 2019
Interim Director, Division of Infectious Diseases LUMC, Maywood, IL	2017 - 2018
Director, Transplant Infectious Diseases Program University of Illinois Hospital and Health Sciences System (UIHHSS) Chicago, IL	2003 - 2012
Medical Director, Ryan White Part C HIV/AIDS Southeast Outreach Clinic UIHHSS, Chicago, IL	2003 - 2012
Interim Director, HIV/AIDS Treatment Program University of Michigan, Ann Arbor, MI	2001 - 2002

Academic Appointments

Professor with tenure Department of Medicine, Division of Infectious Diseases LUMC, Maywood, IL	2017
Associate Professor with tenure Department of Medicine, Division of Infectious Diseases LUMC, Maywood, IL	2012 - 2017
Visiting Associate Professor Department of Medicine, Section of Infectious Diseases UIHHSS, Chicago, IL	2012 - 2013

Associate Professor with tenure
Department of Medicine, Section of Infectious Diseases
UIHSS, Chicago, IL 2007 - 2012

Assistant Professor
Department of Medicine, Section of Infectious Diseases
UIHSS, Chicago, IL 2003 - 2007

Clinical Assistant Professor
Department of Medicine, Division of Infectious Diseases
University of Michigan, Ann Arbor, MI 2001 - 2003

Assistant Professor
Department of Medicine, Division of Infectious Diseases
University of Michigan, Ann Arbor, MI 1995 - 2001

Lecturer
Department of Medicine, Division of Infectious Diseases
University of Michigan, Ann Arbor, MI 1994 - 1995

Certification and Licensure

Diplomate, American Board of Internal Medicine (ABIM) 1991
Recertification, Internal Medicine, ABIM 2000 - 2011
Recertification, Internal Medicine, ABIM 2011 - 2021
Recertification, Internal Medicine, ABIM 2022 - 2032
Infectious Diseases Subspecialty Certification, ABIM 1994
Recertification, Infectious Diseases Subspecialty Certification, ABIM 2000 - 2014
Recertification, Infectious Diseases Subspecialty Certification, ABIM 2014 - 2024
Illinois State Medical License # 036.108439 2003 - 2026

Professional Memberships and Activities

Fellow, Infectious Diseases Society of America 2015
Member, Infectious Diseases Society of America 1994 - present
American Society of Transplantation 2005 - present
American Society of Transplantation Infectious Diseases Community of Practice 2005 - present
Alpha Omega Alpha 1986 - present

Honors and Awards

Research

Top 20 most read article 2017-18 (*Aspergillus calidoustus*), Transplant Infectious Diseases 2018
Editor's Pick Citation in the journal Transplantation for manuscript (the impact of donor and recipient race on survival after hepatitis C-related liver transplantation) 2011
Infectious Diseases Society of American Young Investigator Award 1994
National Institute of Allergy and Infectious Diseases Clinical Investigator Award (K08) 1994
National Institutes of Health National Research Service Award (Institutional Grant) 1992 - 1994

Teaching/Clinical

Teaching Honor Roll, LUMC Internal Medicine Residency (top 25% of faculty) 2023
Teaching Honor Roll, LUMC Internal Medicine Residency (top 25% of faculty) 2022
Teaching Honor Roll, LUMC Internal Medicine Residency (top 25% of faculty) 2021
Chicago Magazine Top Doctor 2020 - present
Castle Connolly Exceptional Women in Medicine 2019 - present
Magis Star Awards, LUMC 2016, 2019
Teaching Honor Roll, LUMC Internal Medicine Residency (top 25% of faculty) 2018
Castle Connolly Top Doctor, West Suburban Living 2014 - present
Certificate of Excellence in Teaching Award, UIHSS 2012
Castle Connolly Top Doctor 2011 - present
Certificate of Excellence in Teaching Award, UIHSS 2010, 2009, 2007
Nominated, "Rookie Attending of the Year" by Internal Medicine housestaff, UIHSS 2005

Education

Graduated with Honors, University of Illinois College of Medicine 1988

Janet M. Glasgow Scholastic Achievement Award of the American Medical Women's Association	1988
Alpha Omega Alpha	1986
Illinois General Assembly Scholarship	1985
Graduated summa cum laude, Loyola University	1984
Loyola University Honors Society Academic Scholarship	1980 - 1984

Leadership Training

Association of American Medical Colleges Leadership and Management Foundations for Academic Medicine and Science Seminar	2017
Association of American Medical Colleges Mid-Career Women Faculty Professional Development Seminar	2012

Committee Assignments and Administrative Services

Regional and National Committees and Service

U.S. Food and Drug Administration Antimicrobial Drugs Advisory Committee Consultant	2023
National Institutes of Health NIAID Special Emphasis Panel Review (RFA-AI-18-036: Leadership Group for a Clinical Research Network on Antibacterial Resistance)	2019
U.S. Food and Drug Administration Antimicrobial Drugs Advisory Committee Member	2017 - 2020
Midwest Consortium for the Study of Respiratory Viruses	2014 - 2016
New Life Volunteering Society Student-Run Free Health Clinic	2012
Midwest Transplant Infectious Diseases Fellow Conference Organizing Committee	2008 - 2009
American Society of Transplantation Health Professionals Information Center	2005 - 2006
Organizer, Chicago-area Mycology Study Group	2003 - 2009

Loyola University Committees and Service

Loyola University Department of Medicine Promotions Committee	2024 - present
Loyola University Clinical Research Office Advisory Council	2021 - present
Loyola University Chicago Stritch School of Medicine Research Funding Committee	2020 - 2024
Loyola University Chicago Healthcare Advisory Committee	2020 - 2022
Loyola University Chicago Faculty Appeals Committee	2020 - 2022
Loyola University Chicago Clinical Research Office COVID-19 Research Taskforce	2020 - 2021
Loyola University Stritch School of Medicine Committee on Academic Rank and Tenure	2018 - present
Admissions Committee, Infectious Diseases & Immunology Research Institute Masters Program	2018 - 2020
Loyola University Stritch School of Medicine Research Leadership Council	2017 - present
Needlestick Taskforce Committee	2017 - 2018
Outpatient Parenteral Antibiotic Therapy Committee	2016 - 2018
Microbiology Laboratory Stewardship Committee	2016 - present
Anti-Infective Subcommittee of the Hospital Pharmacy & Therapeutics Committee	2015 - present
Co-Director, Anti-Infective Subcommittee of the Hospital Pharmacy & Therapeutics Committee	2012 - 2015
Protocol Committees, Solid Organ Transplantation Programs (Renal, Liver, Pancreas, Heart, Lung)	2012 - present
Protocol Committee, Hematopoietic Stem Cell Transplantation Program	2012 - present
Infectious Diseases Fellowship Clinical Competency Committee	2013 - present
Ad hoc Loyola Outpatient Infectious Diseases Clinic Committee	2014 - present
Medical Marijuana Use Committee	2014 - 2015
Stritch School of Medicine FORWARD Initiative (Faculty Opportunities and Recognition for Women's Advancement, Resilience and Development)	2013 - 2014

University of Illinois Committees and Service

Department of Medicine Billing Compliance Committee	2009 - 2012
UIC College of Medicine-Chicago Medical Student Council Health Fair, Chicago, IL	2009
Project Management Team, HIV/AIDS Community Clinic Network, UIHHSS	2008 - 2012
Elected, University of Illinois College of Medicine Executive Committee	2008 - 2011
Department of Medicine Incentive Plan Committee	2007 - 2012
College of Medicine Faculty Academic Advancement Committee	2006 - 2012
Ambulatory Services Finance Committee	2006 - 2012
Elected, Department of Internal Medicine Advisory Committee	2005 - 2012
Alternate, Medical Staff Executive Committee	2004 - 2005
Data Safety Monitoring Committee, Allogeneic Islet Cell Transplantation Program	2004 - 2012
Chairman, Anti-Infective Subcommittee of the Hospital Pharmacy & Therapeutics Committee	2003 - 2012
Finance, Committee, Department of Medicine	2003 - 2012
Protocol Committee, Solid Organ Transplantation Programs (Renal, Liver, Pancreas, Small Intestine)	2003 - 2012
Protocol Committee, Lung Transplantation Program	2003 - 2005

Protocol Committee, Hematopoietic Stem Cell Transplantation Program 2003 - 2012

Educational Activities

Lectures and Clinical Conferences

Loyola University Medical Center

Infectious Diseases Fellow Core Curriculum Lecturer 2012 - present
(2 to 3 lectures per year to ID fellows and Internal Medicine residents at Loyola University, University of Chicago and University of Illinois at Chicago)

Internal Medicine Grand Rounds lecture every 2-3 years 2012 - present

M-3 Internal Medicine Rotation Case Discussion Leader 2012 - present
(1 contact hour per year)

Internal Medicine Residency Noon Lecture 2012 - present
(1 contact hour every 1-2 years)

Periodic Internal Medicine Residency Clinicopathologic Conference and Morning Report Discussant (1 contact hour per session) 2012 - present

University of Illinois Hospital and Health Sciences System

Internal Medicine Residency Morning Report 2003 - 2012
(3 to 4 contact hours per year)

Internal Medicine Residency Multidisciplinary and Morbidity & Mortality Conferences 2003 - 2012
(4 to 5 contact hours per year)

Teaching Activities

Loyola University Medical Center

Instruction of medical students, pharmacy students, residents and Infectious Diseases fellows on Transplant Infectious Diseases service 2012 - present
(5.5 - 6.5 months/year)

Supervision of 3rd year medical students and Internal Medicine and Medicine-Pediatrics residents in a weekly half-day outpatient clinic

Supervision of Infectious Diseases fellows in their weekly outpatient clinic 2012 - present
(6 to 8 half-day sessions/year)

Shared Course Teaching

Loyola University Chicago

Infectious Disease & Immunology Research Institute Case Discussion Organizer and Leader 2017 - present
(3-5 contact hours/year for 2nd year InDIRI graduate students)

Bioethics 395: Special Topics HIV/AIDS; Testing and Treatment of HIV (1 contact hour/year) 2020

Loyola University Medical Center

Academic Research Curriculum for Internal Medicine Residents, ad hoc 2020 - present
(2-3 contact hours per year to perform an in-depth analysis of journal articles)

Center for Community and Global Health Essential Topics: Infectious Diseases, Stritch School of Medicine (1 contact hour/year) 2018 - 2019

Mechanisms of Human Disease for M-2 students, HIV (1 contact hour/year) 2016 - 2019

Academic Research Curriculum for Internal Medicine Residents 2013 - 2019

(8-9 contact hours per year to perform an in-depth analysis of journal articles)

Clinical Skills Preceptor Program 2012 - 2013

University of Illinois Hospital and Health Sciences System

Essentials of Clinical Medicine Course: Introduction to Patient Care 2009 - 2010

University of Illinois College of Medicine Club Med seminar series for medical students 2005, 2009

Yearly Applied Pathophysiology course for University of Illinois Physical Therapy students: 2006 - 2012

Immune system disorders: HIV and organ transplantation

University of Michigan

University of Michigan M-2 "Human Dilemmas Meet Medicine" Seminar 2002

University of Michigan M-2 Clinical Skills Instructor 2000 - 2001

Yearly participation in University of Michigan M-2 Course in Infectious Diseases and Microbiology 1993 - 2000

AIDS Update, University of Michigan School of Public Health Post-Graduate Infectious Diseases Review Course 1993

Grants and Contract Awards

Current Support

Co-investigator (Susan Uprichard, PI) 12/1/21 – 11/30/24
Walder Foundation

Breakthroughs, boosters, and biorepositories (B3), \$289,580 (Loyola part only), 10% effort

Medical Director 3/1/20 - 2/28/24

Department of Health and Human Services Health Resources & Services Administration (HRSA)

Ryan White Title Part A: Emergency Relief Grant Program, \$177,876 annual direct costs

Site Principal Investigator 1/18/22 - present

National Center for Advancing Translational Sciences, National Institutes of Health

ACTIV-6: COVID-19 outpatient randomized trial to evaluate efficacy of repurposed medications

Co-Investigator (Fritzie Albarillo, PI) 12/18/19 - present

Loyola University of Chicago Research Funding Committee Grant

The impact of urethral catheters on the lower urinary tract microbiota and the development of catheter-associate urinary tract infection, \$50,000 direct costs

Co-Investigator (Fritzie Albarillo and Alan Wolfe, PIs) 2/11/21 - present

Loyola University Chicago Infectious Disease & Immunology Research Institute Pilot Funding Award

Urobiome changes of kidney transplant recipients, \$5,000 direct costs

Recent Support (Last 5 years)

Principal Investigator 9/19/19 – 12/31/2023

Ansun Biopharma, Inc.

A phase III randomized placebo-controlled study to examine the efficacy and safety of DAS181 for treatment of lower respiratory tract parainfluenza infection in immunocompromised subjects

Principal Investigator 6/17/20 – 7/23/22

ContraFect Corp.

A randomized, double-blind, placebo-controlled study of the efficacy and safety of a single dose of Exebacase in adult patients receiving standard-of-care antibiotics for the treatment of Staphylococcus aureus bloodstream infections, including right-sided infective endocarditis

Co-investigator (Abigail Silva, PI) 10/15/20 - 10/15/21

Walder Foundation

COVID Equity Reponse Collaborative (CERCL): Understanding COVID-19 transmission in communities of color, \$1.09 million direct costs, donated effort

Principal Investigator 6/24/20 - 6/30/21

BeiGene

Treatment of patients hospitalized for COVID-19 infection and pulmonary distress with Zanubrutinib

Principal Investigator 5/21/20 - 7/31/21

Janssen Research & Development

Phase 2, randomized, double-blind, placebo-controlled study to evaluate the efficacy and safety of sirukumab in confirmed severe or critical COVID-19 disease

Principal Investigator 6/4/20 - 6/30/21

Incyte

Phase 3, randomized, double-blind, placebo-controlled, multicenter study to assess the efficacy and safety of ruxolitinib in participants with COVID-19-associated ARDS who require mechanical ventilation

Principal Investigator 4/15/20 - 12/21/20

Ansun BioPharma

DAS181 for COVID-19, a multicenter, randomized, placebo-controlled, double-blind study

Principal Investigator 12/1/16 - 12/31/20
Astellas Pharma
 A non-interventional registry study of systemic antifungal therapy in adult subjects with invasive mucormycosis or invasive aspergillosis caused by a non-fumigatus species

Principal Investigator 12/1/16 - 12/31/20
Shire
 A phase 3, multicenter, randomized, open-label, active-controlled study to assess the efficacy and Safety of maribavir treatment compared to investigator-assigned treatment in transplant Recipients with cytomegalovirus (CMV) infections that are refractory or resistant to treatment with ganciclovir, valganciclovir, foscarnet or cidofovir

Medical Director 3/1/19 - 2/29/20
Department of Health and Human Services Health Resources & Services Administration (HRSA)
 "Ryan White Title Part A: Emergency Relief Grant Program", \$197,560 annual direct costs

Principal Investigator 12/1/16 - 12/31/19
Astellas Pharma
 Observational disease registry of patients treated with systemic mold-active triazoles

Medical Director 3/1/14 - 2/28/19
Department of Health and Human Services HRSA
 "Ryan White Title Part A: Emergency Relief Grant Program", \$1,319,314 direct costs

Editorial Board Appointments

Ad Hoc Editor
 Seminars in Respiratory and Critical Care Medicine 2020
 Guest editor, "Pulmonary and invasive fungal infections"
 Seminars in Respiratory and Critical Care Medicine 2006
 Guest editor, "Pulmonary complications of solid organ transplantation"
 Seminars in Respiratory and Critical Care Medicine 2002
 Guest editor, "Emerging infections in the intensive care unit"

Journal Reviewer 2003 - present
 American Family Physician
 American Journal of Nephrology
 American Journal of Transplantation
 Chest
 Clinical Infectious Diseases
 Clinical Transplantation
 Diagnostic Microbiology and Infectious Diseases
 Infection Control and Hospital Epidemiology
 Journal of Antimicrobial Chemotherapy
 Journal of Urology
 Liver Transplantation
 Mycoses

IDWeek 2022, 12th Joint Meeting of the Infectious Diseases Society of America, Society for Healthcare Epidemiology of America, the HIV Medicine Association and the Pediatric Infectious Diseases Society, Boston, MA, October 2023, abstract 1475.

Local/Regional Meetings

1. Morris, J.L., Fernandez, C., Grim, S., Gunderson, S., Paek, J., Schreckenberger, P., **Clark, N.** Use, efficacy and safety of novel antifungals in the clinical setting: a retrospective analysis. Proceedings of the Great Lakes Residency Conference, April 2004.
2. Fernandez, C., Morris, J., Grim, S., **Clark, N.** Use of the novel antifungals in a clinical setting: a retrospective evaluation. Proceedings of the Infectious Diseases Pharmacotherapy Fellowship Forum, Vail, CO, June 2004.
3. Slover, C.M., Grim, S.A., **Clark NM.** Risk factors for wound healing complications in patients treated with sirolimus post-kidney transplantation. Proceedings of the Great Lakes Residency Conference, April 2005.
4. Santayana, E., Grim, S.A., Janda, W., **Clark N.M.** Risk factors associated with the development of infection or colonization with linezolid-resistant, vancomycin-resistant *Enterococcus* (LR-VRE). Proceedings of the Great Lakes Residency Conference, West Lafayette, IN, April 2009.
5. Heinrich, L., Tokumaru, S., Grim, S., Paek, J., Garofalo, J., Clark, N. Implementation and evaluation of an extended infusion piperacillin-tazobactam protocol. Proceedings of the Great Lakes Residency Conference, West Lafayette, IN, April 2009.

6. Lie, L., Thompson, C., Mora, N., Grim, S., Harrington, A, **Clark, N.** The epidemiology and risk factors for infectious diarrhea in solid organ transplant patients. St. Albert's Day 2017, Loyola University Stritch School of Medicine, Maywood, IL, November 2017, poster 63.
7. Sackey, J., Knowles, K., Subramanya, G., **Clark, N.**, Cook, J., Reid, G., Uprichard, S.L. Enabling the clinical detection of HPV to enhance effective diagnosis and research. Loyola University Chicago Infectious Disease & Immunology Research Institute Annual Retreat, Oakbrook, IL, June 2019.
8. Pax, L., Semler, M., McNamara, K., Shore, J., Morey, C., Gawne, E., **Clark, N.** A Comparison of HIV-related experienced stigma by racial and ethnic groups. St. Albert's Day 2021, Loyola University Stritch School of Medicine, Maywood, IL, November 2021, poster 70.
9. McNamara, K., Semler, M., Pax, L., Shore, J., Morey, C., Gawne, E., **Clark, N.** A Comparison of HIV-related experienced stigma by racial and ethnic groups. St. Albert's Day 2022, Loyola University Stritch School of Medicine, Maywood, IL, October 2022.
10. Stewart, E., Hochstedler-Kramer, B.R., Khemmani, M., **Clark, N.M.**, Parada, J.P., Farooq, A., Doshi, C., Wolfe, A.J., Albarillo, F.S. Characterizing the urobiome in geriatric males with chronic indwelling urinary catheters: an exploratory longitudinal study. Infectious Disease & Immunology Research Institute Retreat, Loyola University Stritch School of Medicine, Maywood, IL, April 2024.
11. Feng, S., Reid, G.E., **Clark, N.M.**, Harrington, A., Uprichard, S.L., Baker, S.C. Evidence of SARS-CoV-2 convergent evolution in immunosuppressed patients treated with antiviral therapies. Pathogen Genomics Symposium: Microbial Genomics Workshop, Northwestern University, Chicago, IL, April 2024; received Outstanding Abstract Award.
