1. PERSONAL INFORMATION

A. Education

Undergraduate: Philadelphia College of Pharmacy, Philadelphia, PA, 1995-2000, BS in Pharmacy, *summa cum laude*

Graduate Education: Philadelphia College of Pharmacy, Philadelphia, PA, 2000-2001, Doctor of Pharmacy, *summa cum laude*

The George Washington University, Washington, DC, 2010-2013, Master of Public Health; Environmental and Occupational Health track

Erasmus University, Rotterdam Netherlands, 2015-2019, Doctor of Philosophy
Thesis title: Prescription Drug Shortages: Implications for Public Health and Potential Solutions

Medical Education: Medical Education: Temple University School of Medicine, Philadelphia, PA, 2002-2006, Doctor of Medicine degree

Internship: Hospital of the University of Pennsylvania, Philadelphia, PA, Emergency Medicine, 2006-2007; Program Director: Francis DeRoos, MD

Residency: Hospital of the University of Pennsylvania, Philadelphia, PA, Emergency Medicine, 2007-2010; Program Director: Francis DeRoos, MD

Fellowship: National Capital Poison Center, Washington, DC, Medical Toxicology, 2010-2012; Program Director: Cathleen Clancy, MD

Children's National Medical Center, Washington, DC, Clinical Pharmacology, 2012-2014; Program Director: John van den Anker, MD, PhD

B. Professional Experience

Faculty Appointments

2021 –Present Professor of Emergency Medicine, Georgetown University School of Medicine, Washington, DC

2019 –2022 Adjunct Associate Professor of Pediatrics, George Washington

2018 –2019 University School of Medicine, Washington, DC
Adjunct Assistant Professor of Pediatrics, George Washington
University School of Medicine, Washington, DC
2017 –2021 Associate Professor of Emergency Medicine, Georgetown
University School of Medicine, Washington, DC
2014 –2017 Assistant Professor of Emergency Medicine, Georgetown
University School of Medicine, Washington, DC
2012 –2014 Assistant Clinical Professor of Emergency Medicine,
The George Washington University, Washington, DC
2012 –2014 Adjunct Instructor, Department of Pediatrics, The George Washington
University, Washington, DC
2013 –2014 Adjunct Instructor, Department of Emergency Medicine, The George
Washington University, Washington, DC
2007 – 2008 Preceptor, Working Professional Doctor of Pharmacy Program, University of
Florida School of Pharmacy, Gainesville, FL

Employment and Consulting

2023 – Present Co-medical Director, National Capital Poison Center, Washington, DC
2021 – Present Per diem hyperbaric medicine coverage, Georgetown University Hospital,
Washington, DC
2020 – Present MAC3 telehealth/triage physician, MedStar Health, Washington, DC, MD, VA
2019 – Present Periodic legal consulting, expert witness, medial toxicology/pharmacology
2017 – Present Consultant, Food and Drug Administration Drug Safety and Risk Management
Advisory Committee, Silver Spring, MD
2014 – Present Attending Physician, Department of Emergency Medicine,
MedStar Washington Hospital Center, Washington, DC
2013 – 2023 Consultant, Mid-Atlantic Center for Children’s Health and the
Environment, Washington, DC
2012 – Present Medical Toxicology Consultant, National Capital Poison Center,
Washington, DC
2011 – 2022 Attending Physician, Department of Emergency Medicine,
Children’s National Medical Center, Washington, DC
2010 – 2014 Attending Physician, Department of Emergency Medicine,
The George Washington University Hospital, Washington, DC
2010 – 2012 Attending Physician, Department of Emergency Medicine,
Prince George’s Hospital Center, Cheverly, MD
2011 – 2012 ACLS Instructor, The George Washington University
Clinical Simulation Center, Washington, DC
2011 – 2012 Pharmacist Specialist in Poison Information, National Capital Poison Center,
Washington DC
2010 – 2014 Maritime Medical Access Physician, The George Washington
University Medical Faculty Associates, Washington, DC
2010 – 2012 Onsite Medical Access Physician, The George Washington
University Medical Faculty Associates, Washington, DC
2010 – 2011 ACLS Instructor, University of Pennsylvania
Clinical Simulation Center, Philadelphia, PA
2000 – 2012 Staff Pharmacist, CVS/Pharmacy, Philadelphia, PA
2000 – 2012 Staff Pharmacist, Lower Bucks Hospital, Bristol PA
1995 – 2900 Pharmacy Intern, CVS/Pharmacy, Philadelphia, PA
1994 – 1995 Pharmacy Technician, Rx Place, Lakewood, NJ

C. Licensure

- 2011 – Present Virginia Medical License (0101248945)
Renewal due: 10/24
- 2011 – Present Registered Pharmacist, Washington, DC (PH100000923)
Renewal due: 2/25
- 2010 – Present Washington, DC Medical License (MD038574)
Renewal due: 12/24
- 2010 – Present Maryland Medical License (D0070309)
Renewal due: 9/25

D. Specialty Certifications

Primary Specialty Certifications

- 2005 – Present Board Certified Pharmacotherapy Specialist, Board of
Pharmaceutical Specialties (3050063363)
Renewal due: 12/26
- 2011 – Present Diplomate, American Board of Emergency Medicine (48651)
Renewal due: 12/26

Subspecialty Certifications

- 2019 – Present Diplomate, American Board of Preventative Medicine, Addiction Medicine
(61-18743)
Renewal due: 12/29
- 2016 – Present Diplomate, American Board of Clinical Pharmacology (201601)
- 2015 – Present Diplomate, American Board of Addiction Medicine (2015017)
Renewal due: 12/25-transitioned to American Board of Preventative
Medicine
- 2012 – Present American Board of Emergency Medicine, Medical Toxicology (48651)
Renewal due: 12/27

Other Certifications

- 2015 – Present DATA 2000 training, buprenorphine X-waiver
- 2010 – Present Certified Immunizing Pharmacist, American Pharmacists
Association
- 2010 – Present Neonatal Resuscitation Program
- 2007 – Present Pediatric Advanced Life Support
- 2006 – Present Advanced Cardiac Life Support
- 2006 – Present Advanced Trauma Life Support

Other Certificates

- 2020 Course Completion, International ATMO Hyperbaric Medicine Team Training
- 2020 Course Completion, International ATMO Wound Care Course
- 2012 – 2013 Principles of Pediatric Clinical Pharmacology, National Institutes of Health
- 2012 – 2013 Principles and Practice of Clinical Research, National Institutes of
Health
- 2010 – 2011 Principles of Clinical Pharmacology, National Institutes of Health

E. Languages Spoken

English: fluent, native proficiency

2. RESEARCH AND SCHOLARLY ACTIVITIES

A. Publications

Original Papers in Refereed Journals

1. Makutonin M, Ramdin C, Meltzer A, **Mazer-Amirshahi M**, Lewis Nelson. Concurrent alcohol and opioid intoxication in emergency department patients leads to greater resource utilization. *Substance Use and Misuse*, 2024; 1-6. DOI: 10.1080/10826084.2023.2294963. PMID: 38192231.
2. Ramdin C, Mina G, Nelson LS, **Mazer-Amirshahi M**. Opioid and benzodiazepine co-prescribing trends from the emergency department from 2012-2019: a national analysis. *Journal of Emergency Medicine* 2023; S0736-4679(23)00457-2. DOI: 10.1016/j.jemermed.2023.08.017. PMID: 37919187.
3. Oskvarek JJ, Blutinger EJ, Pilgrim R, Joshi AU, Lin MP, **Mazer-Amirshahi M**, Miller G, Smiley A, Wright Becker C, Pines JM. Beyond the Four Walls: The American College of Emergency Physicians (ACEP) 2022 New Practice Models Task Force Report. *Annals of Emergency Medicine*, 2023. S0196-0644(23)01174-5. PMID: 3777937.
4. Ramdin C, Makutonin M, Nelson LS, Meltzer A, **Mazer-Amirshahi M**. Outcomes and resource utilization of patients presenting to the emergency department with opioid and benzodiazepine prescribing. *Emergency Medicine Journal*, 2023. DOI: 10.1136/emered-2023-213180. PMID: 37669833.
5. Sutariya R, Hamzeh M, Desale S, Mete M, **Mazer-Amirshahi M**, Nelson LS. Impact of the COVID-19 pandemic on emergency department alcohol intoxication presentations and positive screens for problem drinking. *Alcohol and Alcoholism*. 2023; agad053. DOI: 10.1093/alcalc/agad053. Epub ahead of print. PMID: 37553859.
6. Dart RC, Mullins ME, Matoushek T, Ruha AM, Burns MM, Simone K, Beuhler MC, Heard KJ, **Mazer-Amirshahi M**, Stork CM, Varney SM, Funk AR, Cantrell LF, Cole JB, Banner W, Stolbach AI, Hendrickson RG, Lucyk SN, Sivilotti MLA, Su MK, Nelson LS, Rumack BH. Management of Acetaminophen Poisoning in the US and Canada: A Consensus Statement. *JAMA Network Open*. 2023;6(8):e2327739. DOI: 10.1001/jamanetworkopen.2023.27739. PMID: 37552484.
7. Goodwin G, Marra E, Ramdin C, Alexander AB, Ye PP, Nelson LS, **Mazer-Amirshahi M**. A national analysis of ED presentations for early pregnancy and complications: implications for post-Roe America. *American Journal of Emergency Medicine*. 2023;70:90-95. DOI: 10.1016/j.ajem.2023.05.011. PMID: 27245403.
8. Harvey H, Cacciapuoti M, Ramadan L, Brodie K, Gibson C, Tefera E, Yu G, Motov S, Nelson LS, **Mazer-Amirshahi M**. Efficacy and tolerability of oral morphine vs.

- oxycodone/acetaminophen for analgesia in the emergency department. *Journal of Opioid Management*, 2023;19:273-80. PMID: 37245929.
9. Pourmand A, AlRemeithi R, Ransanz S, Couperus S, **Mazer-Amirshahi M**, Yang J, Tran, Q. Cyclobenzaprine utilization for musculoskeletal back pain, analysis of 2007–2019 National Hospital Ambulatory Medical Care Survey Data. *American Journal of Emergency Medicine*, 2023. DOI: 10.1016/j.ajem.2023.03.025. PMID: 36965470.
 10. Whitley JD, Soto P, Glowacki KM, Fox ER, **Mazer-Amirshahi M**. Shortages of agents used to treat antimuscarinic delirium. *American Journal of Emergency Medicine*, 2023;67:163-167. DOI: 10.1016/j.ajem.2023.02.036. PMID: 36893630.
 11. Patel A, Sushko K, **Mazer-Amirshahi M**, Pfuma Fletcher E, Fusch G, Chan O, Aghayi A, KC Chan A, Lacaze-Masmonteil T, van den Anker J, Samiee-Zafarghandy S. Availability of safe and effective therapeutic options to pregnant and lactating individuals following the Pregnancy and Lactation Labeling Rule. *Journal of Pediatrics*, 2023. DOI: 10.1016/j.jpeds.2023.01.016. PMID: 3680675.
 12. Ramdin C, Bikkina R, Nelson LS, **Mazer-Amirshahi M**. Trends in amphetamine prescriptions given at discharge in emergency departments: a national analysis (2012-2019). *American Journal of Emergency Medicine*, January 2023;66:91-97. DOI:10.1016/j.ajem.2023.01.042. PMID: 36738570.
 13. Ramdin C, Chandran K, Nelson LS, **Mazer-Amirshahi M**. Trends in Naloxone Prescribed at Emergency Department Discharge: A National Analysis (2012-2019). *American Journal of Emergency Medicine*, 2023; DOI: 10.1016/j.ajem.2023.01.006. PMID: 36638613.
 14. Patel R, Samiee-Zafarghandy S, Ziesenitz V, Fox ER, van den Anker J, Ong H, **Mazer-Amirshahi M**. Impact of U.S. Prescription Drug Shortages on the World Health Organization Model List of Essential Medicines for Children - a Cross-Sectional Study. *American Journal of Health Systems Pharmacy*, 2022. DOI:10.1093/ajhp/zxac210. PMID: 35913934.

Abstracts for Conference Papers and Posters

Oral Abstracts and Platforms Presented at National and International Meetings

1. Sheykholtan M, **Mazer-Amirshahi M**, Nelson LS, Mete M. Substance and treatment experience and motivation to change reported during peer recovery intervention in the

emergency department. Abstract accepted for presentation at the American College of Medical Toxicology Annual Scientific Meeting, April 2024, Washington, DC.

2. NAC-GAP study group. Consensus-Based Recommendations for the Out-of-Hospital Management of Acetaminophen Poisoning in the United States and Canada. Abstract presented at the North American College of Clinical Toxicology Annual Meeting, September, 2023. Montreal, CA.
3. Ramdin C, Mina G, **Mazer-Amirshahi M**, Nelson L. Opioid and Benzodiazepine Co-Prescribing at Emergency Department Discharge from 2012-2019. Presented at the American Society of Addiction Medicine Annual Meeting, April 2023, Washington, DC.
4. Makutonin M, Ramdin C, Mazer-Amirshahi M, Nelson L, Meltzer A. Concurrent Alcohol Use in Emergency Department Patients with Opioid Poisoning Leads to Higher Resource Utilization. Abstract accepted for presentation at the Society for Academic Emergency Medicine Annual Meeting, May 2023, Austin, TX.
5. North American Consensus Guidelines for Acetaminophen Poisoning (NAC-GAP) panel. Consensus-Based Recommendations for the Out-of-Hospital Management of Acetaminophen Poisoning in the United States and Canada. Presented at the North American Congress of Clinical Toxicology Annual Meeting, October 2022. San Francisco, CA.
6. Ramdin C, Makutonin M, Meltzer A, **Mazer-Amirshahi M**, Nelson L. Outcomes and resource utilization of patients presenting to the emergency department with opioid and benzodiazepine poisoning. Presented at the American College of Emergency Physicians Research Forum, October 2022, San Francisco, CA.
7. Whitley J, Fox E, **Mazer-Amirshahi M**. U.S. Shortages of agents used to treat poisonings over the last 10 years (2012-21). Presented at the North American Congress of Clinical Toxicology Annual Meeting, September 2022, San Francisco, CA.
8. **Mazer-Amirshahi M**, Sutariya R, Desale S, Mete M. Impact of the COVID-19 pandemic on emergency department alcohol intoxication presentations and positive screens for problem drinking. Presented at the American College of Medical Toxicology, Annual Scientific Meeting, March 2022.
9. George J, Patel A, van den Anker J, **Mazer-Amirshahi M**, Fusch G, Chan A, Samiee-Zafarghandy S. Pediatric drug information in the labeling of cardiovascular drugs approved by FDA and Health Canada. Abstract accepted for presentation at the Pediatric Academic Societies Annual Meeting, Philadelphia, PA, April 2020.
10. Quan T, Aljohani B, **Mazer-Amirshahi M**, Pourmand A. Utilization of quinolones among patients presenting to U.S. emergency departments. Abstract accepted for presentation at the Society for Academic Emergency Medicine Annual Meeting, Denver, CO, May 2020.
11. Houser C, Abbott, Meyer K, Schmucker D, **Mazer-Amirshahi M**, Dubin J, Wilson M. Reducing opioid administration in the emergency department for patients with musculoskeletal neck and back pain. Presented at the Society for Academic Emergency Medicine Annual Meeting, Las Vegas, NV, May 2019.

12. Gibson C, **Mazer-Amirshahi M**, Zocchi M, Fox E, Rosenwahl-Mack S, Hsia R, Nelson LS, Pines JM. Increased costs associated with commonly used emergency department medications. Presented at the Society for Academic Emergency Medicine Annual Meeting, Las Vegas, NV, May 2019.
13. Spyles M, Reiderer A, Campleman S, **Mazer-Amirshahi M**, Brent J, Wax P. Utilizing the ToxIC Network to assess the impact of opioid and benzodiazepine misuse/abuse in older adults. Presented at the American College of Medical Toxicology Annual Scientific Meeting, San Diego, CA, April 2019.
14. Marra E, **Mazer-Amirshahi M**, Mullins P, Pines J. Opioid administration and prescribing in older adults in U.S. emergency departments 2001-11. Presented at the Mediterranean Emergency Medicine Conference, Lisbon, Portugal, September 2017.
15. **Mazer-Amirshahi M**, Zocchi M, Fox E, Hsia R, Nelson LS, Pines JM. Increased costs associated with commonly used emergency department medications. Presented at the Society for Academic Emergency Medicine Annual Meeting, Orlando, FL, May 2017.
16. **Mazer-Amirshahi M**, Mullins PM, Pines JM. Emergency department visits for uncomplicated hypertension, 2003-12. Presented at the Society for Academic Emergency Medicine Annual Meeting, Orlando FL, May 2017.
17. Tatusov M, **Mazer-Amirshahi M**, Abassi A, Goyal M. Clinical effects of synthetic cannabinoid exposures admitted to the intensive care unit. Presented at the Society of Critical Care Medicine Annual Congress, Honolulu, HI, January 2017.
18. **Mazer-Amirshahi M**, Ladkany D, Mullins P, Perrone J, Pines J, Nelson L. Predictors of hydromorphone administration in U.S. Emergency Departments, 2007-11. Presented at the American College of Emergency Physicians Annual Research Forum, Las Vegas, NV, October 2016.
19. **Mazer-Amirshahi M**, Mullins P, Richards L, Meltzer A, Pines JM. Predictors of opioid analgesic administration for abdominal pain in the emergency department. Presented at the American College of Emergency Physicians Annual Research Forum, Las Vegas, NV, October 2016.
20. Sun C, Bhat R, **Mazer-Amirshahi M**, Dynin M, Vaughns J, Tefara E, Towle D, Goyal M. Appropriateness of rapid sequence intubation medication doses in obese vs. non obese patients. Presented at the Society for Academic Emergency Medicine Annual Meeting, New Orleans, LA, May 2016.
21. **Mazer-Amirshahi M**, Mullins P, Perrone J, Nelson LS, Pines JM. Trends in emergency department utilization for poisoning-related visits, 2003-11. Presented at the Society for Academic Emergency Medicine Annual Meeting, New Orleans, LA, May 2016.
22. **Mazer-Amirshahi M**, Mullins P, Richards L, Meltzer A, Pines JM. Emergency department utilization of opioid analgesics vs. non-opioid therapies for abdominal pain. Presented at the Society for Academic Emergency Medicine Annual Meeting, New Orleans, LA, May 2016.

23. Meltzer A, **Mazer-Amirshahi M**, Mullins P, Richards L, Pines JM. Trends in CT utilization for emergency department patients presenting with abdominal pain. Presented at the Society for Academic Emergency Medicine Annual Meeting, New Orleans, LA, May 2016.
24. Meltzer A, **Mazer-Amirshahi M**, Mullins P, Richards L, Pines JM. Recent trends in abdominal pain for emergency department visits: younger patients, more repeat visits, more severe pain. Presented at the Society for Academic Emergency Medicine Annual Meeting, New Orleans, LA, May 2016.
25. Sun C, Bhat R, **Mazer-Amirshahi M**, Dynin M, Vaughns J, Tefara E, Towle D, Goyal M. Appropriateness of rapid sequence intubation medication doses in obese vs. non obese patients. Presented at the Society of Critical Care Medicine Annual Congress, Orlando, FL, February 2016.
26. Umar S, Goyal M, Fox E, Zocchi M, Pines JM, Hawley KL, **Mazer-Amirshahi M**. Longitudinal Trends in U.S. Drug Shortages for Medications Used in Critical Care (2001 – 2014). Presented at the Society of Critical Care Medicine Annual Meeting, Orlando, FL, February 2016.
27. Mullins P, **Mazer-Amirshahi M**, Pines J. Trends in alcohol-related emergency department visits and resource utilization, 2001-10. Presented at the North American Congress of Clinical Toxicology, San Francisco, CA, October 2015.
28. Ziesenitz V, van den Anker J, **Mazer-Amirshahi M**. Availability of pediatric formulations for the 100 most prescribed drugs in pediatric ambulatory care-2002 vs. 2010. Presented at the European Society for Developmental, Perinatal, and Paediatric Pharmacology meeting, Belgrade Serbia, June 2015.
29. **Mazer-Amirshahi M**, Fox E, Hawley K, Zocchi M, Pines J, Nelson L. Drug shortages: implications for medical toxicology. Abstract presented at the Society for Academic Emergency Medicine Annual Meeting, San Diego CA, May 2015.
30. **Mazer-Amirshahi M**, Mullins P, Perrone J, Nelson L. Utilization patterns of carisoprodol in ambulatory clinics and emergency departments, 2001-2010. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Clearwater Beach, FL, March 2015.
31. **Mazer-Amirshahi M**, D’Orazio J, Mullins, P, Nelson L, Perrone J. Ambulatory care and emergency department prescribing practices do not account for gender differences in opioid analgesic-related deaths. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Clearwater Beach, FL, March 2015.
32. **Mazer-Amirshahi M**, Mullins P, Pines JM, Perrone J, Nelson LS. Trends in opioid prescribing for acute headache in U.S. emergency departments. Presented at the Society for Academic Emergency Medicine Annual Meeting, Dallas TX, May 2014.
33. **Mazer-Amirshahi M**, Mullins P, Meltzer A, van den Anker J, Pines J. Rising rates of proton pump inhibitor prescribing in U.S. emergency departments. Presented at the Society for Academic Emergency Medicine Annual Meeting, Dallas TX, May 2014.

34. **Mazer-Amirshahi M**, Mullins PM, van den Anker J, Pines JM, Perrone J, Nelson LS. Trends in opioid analgesic prescribing in U.S. emergency departments for low-acuity visits. Presented at the Society for Academic Emergency Medicine Annual Meeting, Dallas TX, May 2014.
35. **Mazer-Amirshahi M**, Brooks G, Marra E, van den Anker J, May L, Pines JM. Analgesic prescribing for older adults in U.S. emergency departments: 2001 to 2010. Presented at the Society for Academic Emergency Medicine Annual Meeting, Dallas TX, May 2014.
36. **Mazer-Amirshahi M**, Rasooly I, Brooks G, Pines J, May L, van den Anker J. Impact of pediatric labeling changes on prescribing patterns of over-the-counter cough and cold medications. Presented at the Pediatric Academic Society Annual Meeting, Vancouver Canada, May 2014.
37. **Mazer-Amirshahi M**, Mullins P, Pines JM, Nelson LS, Perrone J. Trends in opioid prescribing in U.S. emergency departments based on provider level of training . Presented at the American College of Medical Toxicology Annual Scientific Meeting, Phoenix AZ, March 2014.
38. **Mazer-Amirshahi M**, Mullins P, Pines JM, Perrone J, Nelson LS. Trends in opioid prescribing for acute headache in U.S. emergency departments. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Phoenix, AZ, March 2014.
39. **Mazer-Amirshahi M**, Brooks G, Marra E, Pines J, van den Anker J, May L. Benzodiazepine prescribing among older adults in emergency departments and ambulatory clinics. Presented at the American Society of Clinical Pharmacology and Therapeutics Annual Meeting, Atlanta GA, March 2014.
40. Sampayo EM, Chew A, Mechak J, Skilton F, **Mazer M**, Scarfone R, Zorc J. Initiation of inhaled corticosteroids after a pediatric emergency visit for asthma: a randomized clinical trial. Presented at the American Academy of Pediatrics Annual Meeting, San Francisco CA, October 2010.
41. **Mazer M**, Perrone J, Peacock NJ, Hollander JE, McCusker C, DeRoos F. Medication reconciliation in emergency department triage is inaccurate and incomplete. Presented at the Society of Academic Emergency Medicine Annual Meeting, New Orleans, LA, May 2009.

Abstract Posters Presented at National and International Meetings

1. Ramdin C, Rabindradat P, **Mazer-Amirshahi M**, Jain I, Vernon N, Nelson LS. Administration and Prescribing of Medications for Alcohol Use Disorder During COVID-19. Abstract accepted for presentation at the American Society of Addiction Medicine Annual Meeting, April 2024, Dallas, TX.
2. Haberman S, Nelson LS, Mete M, **Mazer-Amirshahi M**. Substance and Prior Treatment Experience and Motivation to Change Reported During Peer Recovery Intervention Following an Overdose. Abstract accepted for presentation at the American College of Medical Toxicology Annual Scientific Meeting, April 2024, Washington, DC.
3. Kennedy-Wood, K, Ramdin C, Nelson LS, **Mazer-Amirshahi M**. Medication administration and resource utilization in psychiatric patients with substance use disorder during prolonged emergency department boarding times. Abstract accepted for presentation at the American College of Medical Toxicology Annual Scientific Meeting, April 2024, Washington, DC.

4. Whitledge J, Burns M, Farmer B, Fox E, **Mazer-Amirshahi M**, on behalf of the Toxicology Investigators Consortium. Drug shortage outcomes and solutions reported to the ToxIC Registry over a six-month period. Abstract accepted for presentation at the American College of Medical Toxicology Annual Scientific Meeting, April 2024, Washington, DC.
5. Ramdin C, McGowan T, Nelson LS, Perrone J, **Mazer-Amirshahi M**. Characteristics and trends in buprenorphine administration during emergency department visits and prescribing at discharge from 2014-2020: a national analysis. Abstract presented at the North American College of Clinical Toxicology Annual Meeting, September, 2023. Montreal, CA.
6. Levine M, Pizon A, Boyle K, Schwarz E, Sharma S, Carey S, **Mazer-Amirshahi M**, Hendrickson R, Olives T, Heard K, On Behalf of the Toxicology Investigators Consortium (Toxic) FACT Study Group. Adverse Drug Events Associated With Remdesivir Among Hispanic Populations. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2023, San Diego, CA.
7. Drobina J, **Mazer-Amirshahi M**. Tacrolimus toxicity due to enzyme inhibition from ritonavir. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2023, San Diego, CA.
8. Mazer-Amirshahi M, Dart R, et al. Consensus guidelines for the management of acetaminophen poisoning in the U.S. and Canada. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2023, San Diego, CA.
9. Templeton M, Soto P, **Mazer-Amirshahi M**, Fournet M. An unlucky mushroom foraging: accidental Amanita phalloides ingestion with delayed presentation in the DC Metro Area. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2023, San Diego, CA.
10. Soto P, Fox E, Johnson-Arbor K, **Mazer-Amirshahi M**. Drug shortages impacting lead chelators. Presented at the American College of Medical Toxicology, Annual Scientific Meeting, March 2022.
11. Soto P, Fox E, Johnson-Arbor K, **Mazer-Amirshahi M**. Drug shortages impacting agents for anticholinergic delirium. Presented at the American College of Medical Toxicology, Annual Scientific Meeting, March 2022.
12. Mullins M, Merriman J, Jaffe T, **Mazer-Amirshahi M**. After hours to US emergency departments for painful conditions. Presented at the American Academy of Pain Medicine Annual Meeting, April, 2021.
13. Soto P, Mullins P, Nelson L, **Mazer-Amirshahi M**. After hours poisoning and overdose presentations to emergency departments. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2021.
14. Hack K, **Mazer-Amirshahi M**, Campleman S, Karshenas D, Pizon A. Observations impacting pregnancy in the ToxIC registry. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2021.

15. Shankar N, **Mazer-Amirshahi M**, Chandran K, Desale S, Nelson LS, Mete M. Racial differences in emergency department substance abuse presentations and substance abuse screens. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2021.
16. Shankar N, **Mazer-Amirshahi M**, Chandran K, Desale S, Perrone J, Mete M. Gender differences in emergency department substance abuse presentations and substance abuse screens. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2021.
17. Chandran K, **Mazer-Amirshahi M**, Shankar N, Desale S, Nelson LS, Mete M. Impact of the COVID-19 pandemic on emergency department substance use presentations and substance use screens. Presented at the American College of Medical Toxicology Annual Meeting, April 2021.
18. Harvey H, Cacciapuoti M, Ramadan L, Brodie K, Tefara E, Yu G, Motov S, **Mazer-Amirshahi M**. Efficacy and tolerability of oral morphine vs. oxycodone/acetaminophen for analgesia in the emergency department. Abstract accepted for presentation at the Society for Academic Emergency Medicine Annual Meeting, Denver, CO, May 2020.
19. Ong H, Ziesenitz V, van den Anker J, Fox ER, **Mazer-Amirshahi M**. U.S. shortages of medications included in the 2019 WHO Model List of Essential Medicines for Children. Abstract accepted for presentation at the Pediatric Academic Societies Annual Meeting, Philadelphia, PA, April 2020.
20. Mullins PM, Pourmand A, Perrone J, Nelson LS, Pines JM, **Mazer-Amirshahi M**. Trends in emergency department tramadol utilization, 2007-16. Presented at the American College of Medical Toxicology Annual Scientific Meeting, New York, NY, March 2020.
21. Mullins P, Merriman J, **Mazer-Amirshahi M**, Weiner S. Trends in evaluation and management of back pain in U.S. emergency departments, 2007-16. Presented at the American Academy of Pain Medicine Annual Meeting, National Harbor, MD, February 2020.
22. Tebo C, **Mazer-Amirshahi M**, Campleman S, Boyer E, Brent J, Sheth A, Wax, P, Carlson R. Characterizing trends in synthetic cannabinoid use from structured patient interviews during medical toxicology consultation. Presented at the North American Congress of Clinical Toxicology, September 2019, Nashville, TN.
23. Raja P, Duffett M, **Mazer-Amirshahi M**, Patel A, van den Anker J, Chan A, Samiee-Zafarghandy S. Pediatric drug data in Canadian drug monographs. Presented at the Pediatric Academic Societies Annual Meeting, April 2019, Baltimore MD.
24. Samiee-Zafarghandy S, Patel A, Fusch G, Chan A, van den Anker J, **Mazer-Amirshahi M**. The effect of the Pregnancy and Lactation Labeling Rule on labeling data of FDA approved drugs. Presented at the Pediatric Academic Societies Annual Meeting, April 2019, Baltimore MD.
25. Deutsch A, Gadjosik D, Garbosky L, **Mazer-Amirshahi M**, Fox E, Perrone J. The impact of the parenteral opioid medication shortage on opioid utilization practices in the emergency department. Presented at the American College of Medical Toxicology Annual Scientific Meeting, San Francisco, CA, April 2019.

26. **Mazer-Amirshahi M**, Reiderer A, Campleman S, Calello D, Burkhart K, Brent J, Wax P. Increasing misuse and abuse of gabapentin and pregabalin. Presented at the American College of Medical Toxicology Annual Scientific Meeting, San Francisco, CA, April 2019.
27. Hettinger A, Hoffman D, **Mazer-Amirshahi M**, Dubin J, Levin B, Webb C, Frohna W. Impact of a hydromorphone reduction initiative on pain management practices in the emergency department. Presented at the American College of Medical Toxicology Annual Scientific Meeting, San Francisco, CA, April 2019.
28. Ali M, Cutler E, Mutter R, Henke R, **Mazer-Amirshahi M**, Pines J, Cummings N. Opioid prescribing rates from the emergency department: down but not out. Presented at the American Public Health Association Annual Meeting, November 2018, San Diego, CA.
29. Friedrich J, **Mazer-Amirshahi M**, Geng X, Calello D, Smith M, Medeiros K, Gillam M. Pediatric benzodiazepine exposure and overdose in the United States: 16 years of poison center data. Presented at the North American Congress of Clinical Toxicology Annual Meeting, October 2018, Chicago IL.
30. Samiee-Zafarghandy S, **Mazer-Amirshahi M**, Jong G, Bhardwaj A, Chan A, Atkinson A, van den Anker J. Impact of FDASIA on pediatric drug development. Abstract accepted for presentation at the Pediatric Academic Society Annual Meeting, Toronto, ON, May 2018.
31. Lombardi K, Pourmand A, **Mazer-Amirshahi M**. Patterns of antibiotic resistance of E. Coli urinary tract infections in the emergency department. Presented at the Society for Academic Emergency Medicine Annual Meeting, Indianapolis, IN, May 2018.
32. Lombardi K, Pourmand A, **Mazer-Amirshahi M**, Pines J. Analyzing the dynamics of homeless patient visits to U.S. emergency departments 2005-15. Presented at the Society for Academic Emergency Medicine Annual Meeting, Indianapolis, IN, May 2018.
33. Kiechle E, McKenna C, Zeymo A, Carter H, Gelfand B, DeGeorge L, Sauter D, **Mazer-Amirshahi M**. Prevalence of self-reported drug allergies and adverse drug events in an urban, academic emergency department. Presented at the American College of Medical Toxicology Annual Scientific Meeting, April 2018, Washington, DC and the Society for Academic Emergency Medicine, Indianapolis, IN, May 2018.
34. **Mazer-Amirshahi M**, Koroshetz L, Soares R, Kumar A, Calello D, Perrone J, Nelson L. Emergency department patients' perceptions of the efficacy and safety of opioid analgesics. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Washington, DC, April 2018 and the Society for Academic Emergency Medicine, Indianapolis, IN, May 2018.
35. **Mazer-Amirshahi M**, McKenna C, Carter H, Zeymo A, Gelfand B, Kiechle E, DeGeorge L, Sauter D. Prevalence of medication allergy and adverse drug event reconciliation discrepancies in an urban, academic emergency department. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Washington, DC, April 2018.
36. De George L, Sauter D, **Mazer-Amirshahi M**, Leak C. A Descriptive Study of the Clinical Characteristics of Emergency Department Patients Intoxicated with Synthetic Cannabinoids.

Presented at the North American College of Clinical Toxicology Annual Meeting, Vancouver BC, October 2017.

37. Ziesenitz V, Fox E, Zocchi, van den Anker J, **Mazer-Amirshahi M**. Prescription drug shortages: impact on neonatal intensive care. Presented at the American College of Clinical Pharmacology Annual Meeting, San Diego, CA September 2017 and Recent Advances in Neonatal Medicine, Wuerzberg Germany, October 2017.
38. Katy T, Donnelly K, Zocchi M, Fox E, van den Anker J, **Mazer-Amirshahi M**. Prescription drug shortages: Implications for the pediatric hospitalist. Presented at the Pediatric Academic Society Annual Meeting, San Francisco, CA, May 2017.
39. Katy T, Donnelly K, Zocchi M, Fox E, van den Anker J, **Mazer-Amirshahi M**. Prescription drug shortages: Implications for ambulatory pediatrics. Presented at the Pediatric Academic Society Annual Meeting, San Francisco CA, May 2017.
40. Donnelly K, Katy T, Zocchi M, Fox E, Pines J, **Mazer-Amirshahi M**. Prescription drug shortages: Implications for pediatric emergency and critical care. Presented at the Pediatric Academic Society Annual Meeting, San Francisco, CA, May 2017.
41. **Mazer-Amirshahi M**, Smith K, Savage E, Tran G, Fong AF, Hettinger AZ. Analysis of look-alike/sound alike medication errors involving opioid analgesics. Presented at the American College of Medical Toxicology Annual Scientific Meeting, San Juan, PR, March 2017.
42. **Mazer-Amirshahi M**, Gelfand B, Leak C, Tolliver S, Sauter D. Characterization of suspected synthetic cannabinoid intoxications in Washington, DC. Presented at the American College of Medical Toxicology Annual Scientific Meeting, San Juan, PR, March 2017.
43. Hettinger AZ, Smith K, Fong A, **Mazer-Amirshahi M**, Tran G, Savage E. Analysis of look-alike/sound-alike medication errors in the emergency department. Presented at the American College of Medical Toxicology Annual Scientific Meeting, San Juan, PR, March 2017.
44. Smith KH, Hettinger AZ, Fong A, **Mazer-Amirshahi M**, Tran GR, Savage EL. Human factors analysis of look alike/sound alike medication errors. Presented at the American Medical Informatics Association Annual Symposium, Chicago IL, November 2016.
45. Patel J, Fox E, Zocchi M, En-Lee Z, **Mazer-Amirshahi M**. Trends in U.S. drug shortages for medications used in gastroenterology. Presented at Digestive Diseases Week, San Diego, CA, May 2016.
46. **Mazer-Amirshahi M**, Mullins P, Perrone J, Nelson LS, Pines JM. Trends in emergency department utilization for poisoning-related visits, 2003-11. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Huntington Beach, CA, March 2016.
47. Mullins P, **Mazer-Amirshahi M**, Pines J. Emergency department resource utilization for adverse drug reaction-related visits, 2001-11. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Huntington Beach, CA, March 2016.
48. Ziesenitz V, Fox E, Zocchi M, Pines J, May L, **Mazer-Amirshahi M**. Longitudinal trends in vaccine shortages, 2001-14. Presented at the American Society of Clinical Pharmacology and Therapeutics, San Diego, CA, March 2016.

49. Sun C, Soto P, May M, **Mazer-Amirshahi M**. Fatal cardiotoxicity following ingestion of English yew: a case report. Presented at the North American Congress of Clinical Toxicology, San Francisco, CA, October 2015.
50. Dean K, Hettinger Z, Clark L, Krevat S, Fong A, **Amirshahi M**, Webb C, Dubin J, Frohna W. Qualitative analysis of patient safety event reporting systems to support a Dilaudid-free emergency department. Presented at the National Patient Safety Foundation Annual Congress, Austin, TX, April 2015.
51. Quadri F, **Mazer-Amirshahi M**, Fox E, Hawley K, Zocchi M, Pines J, May L. Antibacterial Drug Shortages from 2001 to 2013: Implications for Patient Safety in Clinical Practice. Presented at the American College for Medical Quality Annual Meeting, Alexandria, VA, March 2015.
52. Hawley K, **Mazer-Amirshahi M**, Zocchi M, Fox E, Pines J. Longitudinal trends in U.S. drug shortages for medications used in the emergency department (2001-2014). Presented at the American College of Medical Toxicology Annual Scientific Meeting, Clearwater Beach, FL, March 2015 and the Society for Academic Emergency Medicine Annual Meeting, San Diego CA, May 2015.
53. Mekonnen S, **Mazer-Amirshahi M**. Altered mental status and renal failure following acyclovir overdose. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Clearwater Beach, FL, March 2015.
54. **Mazer-Amirshahi M**, Mullins P, Perrone J, Nelson L. Trends in outpatient benzodiazepine prescribing 2005-10. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Clearwater Beach, FL, March 2015 and the Society for Academic Emergency Medicine Annual Meeting, San Diego CA, May 2015.
55. **Mazer-Amirshahi M**, Fox E, Hawley K, Zocchi M, Pines J, Nelson L. Drug shortages: implications for medical toxicology. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Clearwater Beach, FL, March 2015.
56. Ziesenitz V, Mullins P, van den Anker J, **Mazer-Amirshahi M**. Trends in U.S. childhood vaccination practices and outbreaks of vaccine-preventable diseases, 2006-2010. Presented at the American Society for Clinical Pharmacology and Therapeutics Annual Meeting, New Orleans, LA, March 2015. Abstract recipient of Presidential Trainee Award.
57. **Mazer-Amirshahi M**, Dorazio J, Mullins P, van den Anker J, Perrone J, Nelson L. Concomitant use of opioid analgesics and benzodiazepines in U.S. ambulatory clinics and emergency departments. Presented at the North American Congress of Clinical Toxicology Annual Meeting, October 2014.
58. **Mazer-Amirshahi M**, Mullins P, Pines JM, Nelson LS, Perrone J. Trends in opioid prescribing in U.S. emergency departments based on provider level of training. Presented at the Society for Academic Emergency Medicine Annual Meeting, Dallas TX, May 2014.
59. **Mazer-Amirshahi M**, Rasooly I, Brooks G, Pines J, May L, van den Anker J. Impact of pediatric labeling changes on prescribing patterns of over-the-counter cough and cold medications. Presented at the Society for Academic Emergency Medicine Annual Meeting,

Dallas TX, May 2014.

60. Reid N, **Mazer-Amirshahi M**, Litovitz T. Cobalt, cardiomyopathy and chelation in a patient with a metal-on-metal hip implant. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Phoenix AZ, March 2014.
61. **Mazer-Amirshahi M**, Mullins P, Perrone J, Nelson LS, Pines, JM. Trends in opioid prescribing based on provider specialty in U.S. ambulatory clinics. Presented at the American College of Medical Toxicology Annual Scientific Meeting, Phoenix AZ, March 2014.
62. Ziesenitz VC, Gorenflo M, van den Anker J, **Mazer-Amirshahi M**. Off-label use of cardiovascular agents in pediatric ambulatory care in the United States. Presented at the American Society of Clinical Pharmacology and Therapeutics Annual Meeting, Atlanta GA, March 2014.
63. Ziesenitz VC, Vaughns JD, van den Anker J, **Mazer-Amirshahi M**. Prescribing patterns in obese pediatric patients in ambulatory care in the United States. Presented at the American Society of Clinical Pharmacology and Therapeutics Annual Meeting, Atlanta GA, March 2014 and the Annual Congress of the Swiss Society of Pediatrics, Basel Switzerland, June 2014.
64. **Mazer-Amirshahi M**, Pourmand A, Pines J, van den Anker J. Characterizing drug shortages in the emergency department. Presented at the American Society of Clinical Pharmacology and Therapeutics Annual Meeting, Atlanta GA, March 2014.
65. **Mazer-Amirshahi M**, Samiee S, van den Anker J. Trends in pregnancy labeling and data quality in U.S. drug approvals. Presented at the American College of Clinical Pharmacology Annual Meeting, Bethesda MD, September 2013.
66. **Mazer-Amirshahi M**, Samiee S, van den Anker J. Trends in pediatric clinical pharmacology data in U.S. drug labeling. Presented at the European Society for Developmental Perinatal and Paediatric Pharmacology, Salzburg Austria, June 2013.
67. **Mazer-Amirshahi M**, Mullins P, van den Anker J, Pines, J. The rapid rise in opioid prescribing in U.S. emergency departments: a cause for concern. Presented at the Society for Academic Emergency Medicine Annual Meeting, Atlanta GA, May 2013.

77. Perrone J, **Mazer M**, Shofer F, Peacock NJ, Hollander JE, McCusker C, DeRoos F. Medications from the web: use of online pharmacies by emergency department patients. Presented at the Society of Academic Emergency Medicine Annual Meeting, Washington DC, May 2008.
78. Perrone J, **Mazer M**, DeRoos F. Encephalopathy and peripheral neuropathy secondary to 1-bromopropane toxicity. Presented at the European Association of Poison Centres and Clinical Toxicologists, Seville Spain. May 2008.

Abstracts Presented at Regional Meetings

1. Schuster A, Hettinger Z, Dean K, Clarke L, Krevat S, **Amirshahi M**, Webb C, Dubin J, Frohna W. D-free in the ED: changing prescribing habits by removing hydromorphone from the emergency department. Presented at the Society for Academic Emergency Medicine Mid-Atlantic Regional Meeting, Washington, DC, February 2015.
2. **Mazer-Amirshahi M**, Brooks G, Marra E, van den Anker J, May, L, Pines JM. Analgesic prescribing for older adults in U.S. emergency departments: 2001 to 2010. Presented at the Society for Academic Emergency Medicine Mid-Atlantic Regional Meeting, Philadelphia PA, February 2014.
3. **Mazer-Amirshahi M**, Mullins PM, van den Anker J, Pines JM, Perrone J, Nelson LS. Trends in opioid analgesic prescribing in U.S. emergency departments for low-acuity visits. Presented at the Society for Academic Emergency Medicine Mid-Atlantic Regional Meeting, Philadelphia PA, February 2014.

4. **Mazer-Amirshahi M**, Mullins P, van den Anker J, Pines, J. The rapid rise in opioid prescribing in U.S. emergency departments: a cause for concern. Presented at the Society for Academic Emergency Medicine Mid-Atlantic Regional Meeting, Washington, DC, February 2013.
5. Wolff M, **Mazer M**, Zorc J, Sampayo E. Prescription filling practices after an acute emergency department visit for asthma. Presented at the Eastern Society for Pediatric Research Regional Meeting, Philadelphia, PA, April 2012.
6. Shirazi B, **Mazer M**, Entezari O, Green L. A rare reason for hip pain: epithelioid hemangioendothelioma. Presented at the American College of Physicians Regional Meeting, Bethesda MD, June 2011.

Submitted Research and Publications Undergoing Revision

1. Cogan A, Arellano F, Iwanger J, Kennedy-Wood, K, Chou J, Verwiel C, Larynowicz, M, Hockstein M, Drescher G, **Mazer-Amirshahi M**. Post-intubation sedation and analgesia following succinylcholine or rocuronium administration. Abstract accepted for presentation at the Society of Academic Emergency Medicine Annual Meeting, May 2024, Phoenix, AZ.
2. Couperous C, Tran Q, Groussis M, **Mazer-Amirshahi M**, Ahari J, Bronstein D, McLaughlin E, Pourmand A. A national analysis of emergency department visits for hypertension, 2015 to 2021. Abstract accepted for presentation at the Society of Academic Emergency Medicine Annual Meeting, May 2024, Phoenix, AZ.

B. Research Funding

Grants

1. CO PI: LINK-MAT Program, DC DOH. 10 percent effort.
2. Site director for: FDA ACMT DOTS Surveillance Project.
PI: American College of Medical Toxicology, Paul Wax.
3. Site director for: FDA ACMT COVID-19 ToxIC (FACT) Pharmacovigilance Project.
PI: American College of Medical Toxicology, Paul Wax.
4. Site director for: Frontline training emergency medicine residents and medical toxicology fellows to effectively screen, assess, and treat patients with substance use disorder.
Substance Abuse and Mental Health Services Administration Grant #1H79FG000005-01.
PI: American College of Medical Toxicology, Paul Wax.

C. Invited Lectures

Regional and National Speaking Engagements

- 2023 Panelist: “Ethics of Therapy with Antidotes” ACMT Pre-meeting Symposium at the North American Congress of Clinical Toxicology, September 2023, Montreal, CA.

- 2023 “Determining the Best Databases for Toxicology Research”, American Academy of Clinical Toxicology Research Seminar-The Nuts and Bolts of Toxicology Research, Virtual
- 2022 “Antimicrobial Toxicity: When the Cure Becomes Toxic”, American College of Medical Toxicology Total Tox Course, Virtual
- 2019 “Novel Treatments for the Crashing Patient”, American College of Medical Toxicology Total Tox Course, Washington DC
- 2019 “Anticoagulants and Antithrombotics: When You Can’t Control the Bleeding”, American College of Medical Toxicology Total Tox Course, Washington DC
- 2019 “Over the Counter Poisons: Antihistamines and Antitussives”, American College of Medical Toxicology Total Tox Course, Washington DC
- 2019 “The Utility of Advanced Degrees for Your Toxicology Career”, American College of Medical Toxicology Annual Scientific Meeting, San Francisco, CA
- 2018 “Medical Product Shortages during Disasters: Opportunities to Predict, Prevent, and Respond” National Academy of the Sciences, Washington, DC
- 2018 “Coping with Medication Shortages: Strategies for Healthcare Providers” Webinar for Coverys
- 2018 “Avoiding Adding Insult to Injury When Using NSAIDs for Acute Pain”, Massachusetts College of Emergency Physicians, Advanced Pain Management in the Emergency Department, Boston, MA
- 2018 “Primum No Nocere: Avoiding Parenteral Hydromorphone”, Massachusetts College of Emergency Physicians, Advanced Pain Management in the Emergency Department, Boston, MA
- 2018 “An Opioid by Any Other Name: Understanding MMEs”, Massachusetts College of Emergency Physicians, Advanced Pain Management in the Emergency Department, Boston, MA
- 2018 “The Opioid Epidemic and Best Prescribing Practices”, American College of Medical Toxicology Annual Scientific Meeting, Washington, DC
- 2017 “Ten Commandments of NSAID Use in the ED”, Society for Academic Emergency Medicine, Annual Meeting Orlando, FL
- 2011 “Chronic Lead Poisoning in Washington, DC”, North American Congress of Clinical Toxicology Annual Meeting, Washington, DC

Institutional Lectures and Lectures by Invitation

- 2023 “Diabetic Medication Overdose and Toxicity”. MedStar Health Physician Assistant Lecture, Virtual
- 2023 “Antidiabetic Agent Toxicity”. MedStar Washington Hospital Center, Washington, DC
- 2023 “Beta Blocker and Calcium Channel Blocker Overdose: Pearls and Pitfalls”. MedStar Washington Hospital Center, Washington, DC
- 2023 “Introduction to Toxicology”, Intern Orientation, MedStar Washington Hospital Center, Washington, DC
- 2023 “Management of Snake Envenomation”, Georgetown University Wilderness Medicine Course, Washington, DC
- 2023 “Optimizing Inpatient Care for Patients with Opioid Use Disorder”. Department of Medicine Grand Rounds, MedStar Washington Hospital Center, Washington, DC
- 2022 “Beta Blocker and Calcium Channel Blocker Overdose: Pearls and Pitfalls”. MedStar Emergency Physicians Fall Symposium, virtual
- 2022 “Management of Snake Envenomation”, Georgetown University Hospital, Washington, DC

- 2022 “Introduction to Toxicology”, Intern Orientation, MedStar Washington Hospital Center, Washington, DC
- 2022 “Inpatient initiation of buprenorphine for treatment of opioid use disorder” Department of Psychiatry Grand Rounds, Washington Hospital Center, Washington, DC
- 2022 “Introduction to Toxicology”, Physician Assistant lecture (virtual)
- 2022 “Inpatient initiation of buprenorphine for treatment of opioid use disorder” Department of Pharmacy Grand Rounds, Washington Hospital Center, Washington, DC
- 2022 “Inpatient initiation of buprenorphine for treatment of opioid use disorder” Department of Psychiatry Grand Rounds, Washington Hospital Center, Washington, DC
- 2022 “Management of Snake Envenomation”, Georgetown University Wilderness Medicine Course, Washington, DC
- 2022: Panelist: Emergency medicine offshoots and side gigs”, MedStar Georgetown University Hospital, Washington, DC
- 2021: Panelist: “A multi-layered approach to substance use disorder and overdose prevention: A perspective from MedStar Health”, August 2021.
- 2021 “Introduction to Toxicology”, Intern Orientation, MedStar Washington Hospital Center, Washington, DC
- 2021 “Introduction to Toxicology”, Physician Assistant lecture (virtual)
- 2021 “Management of Snake Envenomation”, Georgetown University Wilderness Medicine Course, Washington, DC
- 2020 “Introduction to Toxicology”, Intern Orientation, MedStar Washington Hospital Center, Washington, DC
- 2019 “Naloxone in the Age of Carfentanil”, Resident lecture, MedStar Washington Hospital Center, Washington, DC
- 2019 “Introduction to Toxicology”, Physician Assistant lecture, MedStar Washington Hospital Center, Washington, DC
- 2019 “Introduction to Toxicology”, Intern Orientation, MedStar Washington Hospital Center, Washington, DC
- 2019 “Prescription Drug Shortages: Implications for Emergency Medicine”, MedStar Washington Hospital Center, Washington, DC
- 2018 “Introduction to Toxicology”, Intern Orientation, Georgetown University Hospital, Washington, DC
- 2018 “Cardiovascular Toxins”, MedStar Washington Hospital Center, Washington, DC
- 2017 “Antidiabetic and Hypoglycemic Overdose”, Georgetown University Hospital, Washington, DC
- 2017 “Introduction to Toxicology”, Intern Orientation, Georgetown University Hospital, Washington, DC
- 2017 “Prescription Drug Shortages: Implications for Emergency Medicine”, Rutgers University Hospital, Newark, NJ
University Hospital, Washington, DC
- 2016 “Opioid Prescribing and Abuse for the Emergency Physician”, MedStar Georgetown University Hospital, Washington, DC
- 2016 “Toxicological Principles in the ICU”, Critical Care Fellows Lecture, MedStar Washington Hospital Center, Washington, DC
- 2016 “Introduction to Toxicology”, Intern Orientation, Georgetown University Hospital, Washington, DC
- 2016 “Cardiovascular Toxins in the ICU”, MedStar Washington Hospital Center, Washington, DC
- 2016 “Introduction to Toxicology” Paramedic Training Program, Prince William County, VA

- 2016 “Pediatric Toxicology and One-Pill Killers”, MedStar Washington Hospital Center, Washington, DC
- 2015 “Cardiovascular Toxins”, MedStar Washington Hospital Center, Washington, DC
- 2015 “Introduction to Toxicology”, Intern Orientation, Georgetown University Hospital, Washington, DC
- 2015 “Management of Snake Envenomations”, Grand Rounds, The George Washington University Hospital, Washington, DC
- 2015 “Toxicological Principles in the ICU” 2015 Critical Care Fellows Summer Education Block, MedStar Washington Hospital Center, Washington, DC
- 2015 “Management of Snake Envenomations” MedStar Washington Hospital Center, Washington, DC
- 2015 “High Yield Marine Envenomations” MedStar Washington Hospital Center, Washington, DC
- 2015 “Introduction to Toxicology” Paramedic Training Program, Prince William County, VA
- 2014 “Acetaminophen Poisoning” Resident Lecture, MedStar Washington Hospital Center, Washington, DC
- 2014 “Aspirin Poisoning” Resident Lecture, MedStar Washington Hospital Center, Washington, DC
- 2014 “Toxicological Principles in the ICU” 2014 Critical Care Fellows Summer Education Block, SiTEL, Washington, DC
- 2013 “Snake Envenomations”, Grand Rounds, The George Washington University Hospital, Washington, DC
- 2013 “Acetaminophen Poisoning”, Grand Rounds, The George Washington University Hospital, Washington, DC
- 2012 “Anticoagulant Toxicity: An Update and Review”, Grand Rounds, The George Washington University Hospital, Washington, DC
- 2011 “Management of Battery Ingestions”, Toxicology Rounds, Children’s National Medical Center, Washington, DC
- 2011 “Management of Insulin and Antihyperglycemic Overdose”, Grand Rounds, The George Washington University Hospital, Washington, DC
- 2011 “Management of Drug Overdose in the Pregnant Patient”, Grand Rounds, Prince George’s Hospital, Cheverly, MD
- 2008 “HIV/AIDS: An Update for the EM Physician”, Grand Rounds, Hospital of the University of Pennsylvania, Philadelphia, PA
- 2007 “Pulmonary Irritant Inhalation”, Toxicology Rounds, Philadelphia Poison Control Center, Philadelphia, PA

D. Editorships, Editorial Boards, and Reviewing Activities

- 2016 – Present Editorial Board Member, Journal of Medical Toxicology
- 2014 – Present Reviewer, Annals of Emergency Medicine
- 2012 – Present Reviewer, Pharmacoepidemiology and Drug Safety
- 2012 – Present Reviewer, Journal of Clinical Pharmacology
- 2011 – Present Reviewer, Academic Emergency Medicine
- 2011 – 2012 Question Writing and Development, Rosh Review Emergency Medicine
- 2010 – Present Content Reviewer, Emergency Medicine, eMedicine
- 2010 – Present Reviewer, Western Journal of Emergency Medicine
- 2010 – Present Reviewer, Journal of Medical Toxicology
- 2006 – 2007 Test Question Writing and Development, Board of Pharmaceutical

Specialties

3. TEACHING, MENTORING, AND ADVISING

A. Teaching Activities

Medical School Courses

Georgetown University School of Medicine Ambulatory Care Course

Role: Preceptor

Number of Direct Contact Hours: 48/year

Years Taught: 3

Number of Students: 3

Georgetown University School of Medicine Independent Scholarly Project

Role: Mentor

Number of Direct Contact Hours: 48/year

Years Taught: 2

Number of Students: 4

Georgetown-MedStar MedStar Summer Research Program

Role: Faculty Mentor

Number of Direct Contact Hours: 40

Years Taught: 2

Number of Students: 3

Medical School Clerkship

Emergency Medicine Clerkship

Role: Faculty

Number of Direct Contact Hours: 800-1200/year

Year(s) Taught: 3

Number of Students: 150

Graduate Medical Education

Average number of clinical fellows trained per year = 3

Average number of residents trained per year = 24-30

Average number of medical students trained per year: 50

Other Non-GUSOM Teaching Activities

2016 – Present Toxicology faculty for resident resuscitation elective, Georgetown/Washington Hospital Center Emergency Medicine Residency, Washington, DC

2015 – Present Medical Toxicology Program Faculty, National Capital Poison Center and the George Washington University, Washington, DC

2012 – Present Monthly resident teaching rounds, National Capital Poison Center, Washington, DC

2012 – 2015 Instructor for Practice of Medicine IV Course, Medication Safety and Medical Toxicology Electives, The George Washington University School of

- 2012 – 2014 Medicine, Washington, DC
Preceptor, Clinical Apprenticeship Program, The George Washington University School of Medicine, Washington DC
- 2011 – 2014 Medical Student Advisor, Environmental and Occupational Health, The George Washington University School of Medicine, Washington, DC
- 2011 – 2012 Monthly Toxicology Lecture Series, Internal Medicine Residency Program, Prince George’s Hospital Center, Cheverly, MD
- 2011 – 2012 Instructor for MSIV Intersession Course in Clinical Pharmacology, Uniformed Services University of the Health Sciences, Bethesda, MD

B. Mentoring

RN/PharmDs:

- Joshua Drobina (2022, National Capital Poison Center)
Outcome: one case report
- Pela Soto (2020-2023, National Capital Poison Center)
Outcome: multiple abstracts and original manuscripts
- Robert Porter (2016-2017, National Capital Poison Center)
Outcome: one case report
- Serkalem Mekonen (2014, National Capital Poison Center)
Outcome: one abstract
- Nicole Reid (2010-2013, National Capital Poison Center)
Outcome: multiple abstracts presented at national meetings, peer-reviewed original research published

MD Students:

- Mana Sheykholtan (2023, Georgetown University)
Outcome: one abstract, Medical Toxicology Foundation Medical Student Travel Award
- Katherine Kennedy-Wood (2023, Georgetown University)
Outcome: one abstract
- Sydney Haberman (2023, Georgetown University)
Outcome: one abstract
- Tyler Gentile (2023, Georgetown University)
Outcome: one manuscript
- Isabel Snee (2023, Georgetown University)
Outcome: one case report, one manuscript
- Rama Bikkina (2022, Georgetown University)
Outcome: one manuscript
- Malaak Hamzeh (2022, Georgetown University)
Outcome: one manuscript
- Ram Patel (2021, McMaster University)
Outcome: one manuscript
- Ronak Sutariya (2021, Georgetown University)
Outcome: one abstract, one manuscript
- Kira Chandran (2020, Georgetown University)
Outcome: one abstract, two manuscripts
- Nikash Shankar (2020, Georgetown University)
Outcome: one abstract, one manuscript

- Maria Cacciapuoti (2019, Georgetown University)
Outcome: one abstract, one manuscript
- Colin Tebo (2018, Georgetown University)
Outcome: one abstract, multiple manuscripts
- Colin Gibson (2018, Georgetown University)
Outcome: one abstract, multiple manuscripts
- Joseph Freidrich (2018, Georgetown University)
Outcome: one abstract, one manuscript
- Hayley O'Brien (2018, Georgetown University)
Outcome: study in progress
- Rui Soares (2017, Georgetown University)
Outcome: one abstract
- Lydia Koroshetz (2017, Georgetown University)
Outcome: one abstract
- Katherine Slaga (2016-17, Georgetown University)
Outcome: study in progress
- Leena Ramadan (2016, Georgetown University)
Course: Independent Scholarly Project
Outcome: study in progress
- Colleen McKenna (2016-17, Georgetown University)
Course: Independent Scholarly Project
Outcome: two abstracts, one peer-reviewed publication
- Hannah Carter (2016-17, Georgetown University)
Outcome: two abstracts, one peer-reviewed publication
- Bradley Gelfand (2016, Georgetown University)
Outcome: three abstracts, one-peer reviewed publication
- Irit Rasooly (2012-2014, George Washington University)
Outcome: multiple abstracts presented at national meetings, peer-reviewed original research published
- Peter Mullins (2012-2017, George Washington University)
Outcome: multiple abstracts presented at national meetings, peer-reviewed original research published

MD Residents:

- Glen Goodwin, DO, (2022, Adventura Health)
Outcome: one manuscript
- Peter Mullins, MD (2017-2020, Brigham and Women's Hospital)
Outcome: multiple abstracts presented at national meetings, peer-reviewed original research published
- Guo Yu, MD (2018, Georgetown University)
Outcome: one manuscript
- Lindsey DeGeorge, MD (2016, Georgetown University)
Outcome: three abstracts, one peer reviewed publication
- Diana Ladkany, MD (2016, Georgetown University)
Outcome: one abstract, one manuscript
- Jigar Patel, MD (2015, Georgetown University)
Outcome: one abstract, one peer-reviewed publication
- Eric Kiechle, MD (2015, Georgetown University)
Outcome: one book chapter, two abstracts, one manuscript
- Christie Sun, MD (2014-2015, Georgetown University)

Outcome: one online article, one abstract, two peer-reviewed manuscripts
Victoria Ziesenitz, MD (2013-2017, Heidelberg University)
Outcome: multiple abstracts presented at national and international meetings,
peer-reviewed publications, Presidential Trainee Award from
the American College of Clinical Pharmacology and Therapeutics
Erin Marra, MD (2013-2014, George Washington University)
Outcome: multiple abstracts presented at national meetings, one peer-reviewed
manuscript published
Kayla Dewey, MD (2014, Georgetown University)
Outcome: peer-reviewed original research published
Christine Woodward, MD (2013, George Washington University)
Outcome: peer-reviewed manuscript published
Paige Armstrong, MD (2013 George Washington University)
Outcome: peer-reviewed manuscript published

MD Fellows:

James Whittleage, MD (2022, Massachusetts General)
Outcome: one abstract, one manuscript
Kayla Dewey, MD (2016, Georgetown University)
Outcome: one case-report
Michael Tatusov MD (2015, Georgetown University)
Outcome: one abstract, one online article
Suleman Umar MD (2015, Georgetown University)
Outcome: one abstract, peer-reviewed research

4. SERVICE

A. MedStar/Hospital/Local Service

2022– Present	Member, MedStar Anticoagulation Sub Committee
2021– Present	Member, MedStar Emergency Medicine Quality and Safety Committee
2021– Present	Member, MedStar Opioid Stewardship Committee
2019– Present	Representative for MedStar Washington Hospital Center, DC Opioid Task Force, Washington, DC
2017– Present	MedStar MedSafety Sub Committee, MedStar Washington Hospital Center, Washington, DC
2016– Present	Pharmacy and Therapeutics Committee, MedStar Washington Hospital Center, Washington, DC
2016– Present	Pain Management Committee, MedStar Washington Hospital Center, Washington, DC
2016– Present	MedStar Annual Research Symposium Planning Committee
2011– 2014	Pharmacy and Therapeutics Committee, George Washington University Hospital, Washington, DC
2011– 2012	Pharmacy and Therapeutics Committee, Prince George’s Hospital Center, Cheverly, MD
2006 – 2010	Pharmacy and Therapeutics Committee, Hospital of the University of Pennsylvania, Philadelphia, PA

C. Professional Service

National Committee Membership

2022– 2023	Member, ACEP New Practice Models Task Force
2022– Present	Board of Directors, Medical Toxicology Foundation
2021– Present	Member, Investment Committee, American College of Medical Toxicology
2019– Present	Board of Directors, American College of Medical Toxicology
2018– Present	Board of Directors, American Board of Clinical Pharmacology
2018– Present	Chair, Research Committee, American College of Medical Toxicology
2016– Present	Member, Positions and Guidelines Committee, American College of Medical Toxicology
2013– Present	Member, Pharmacy and Therapeutics/Medication Management Committee, American College of Medical Toxicology
2009 – 2017	Member, External Collaboration Committee, Society of Academic Emergency Medicine

Roles in Scientific Meetings

2023	Session moderator, ACMT Annual Scientific Meeting
2022	Session moderator, ACMT Annual Scientific Meeting
2021	Session moderator, ACMT Annual Scientific Meeting
2020	ACMT 2021 Annual Scientific Meeting Planning Committee
2019	ACMT 2019 Total Tox Course Planning Committee
2019	ACMT 2020 Annual Scientific Meeting Planning Committee
2019	Session moderator, ACMT Annual Scientific Meeting
2018	Abstract Reviewer, American College of Emergency Physicians Research Forum
2018	ACMT 2019 Annual Scientific Meeting Planning Committee
2018	Session moderator, ACMT Annual Scientific Meeting
2018	AAEM/ACMT Conference Medical Student and Resident Track Planning Committee
2018	Abstract reviewer, Society for Academic Emergency Medicine Annual Meeting
2017	Session moderator, Society for Academic Emergency Medicine Annual Meeting
2016	Session moderator, Society for Academic Emergency Medicine Annual Meeting
2015	Abstract reviewer, Society for Academic Emergency Medicine Annual Meeting
2014	Abstract reviewer, American Society for Clinical Pharmacology and Therapeutics Annual Meeting
2013	Abstract reviewer, American Society for Clinical Pharmacology and Therapeutics Annual Meeting

Volunteer Experience

2014 – 2017	Volunteer, A Shelter Friend, Elizabethtown, NC
2012 – 2013	Volunteer, City Dogs Rescue, Washington, DC
2000 – 2002	Community Outreach Pharmacist, CVS/Pharmacy, Philadelphia, PA
1999 – 2000	Pharmacy Volunteer, Mercy Fitzgerald Hospital, Lansdowne, PA

5. HONORS AND AWARDS

2020	Chief Medical Officer Award, Washington Hospital Center
2019	American College of Medical Toxicology Outstanding Voluntary Service Recognition
2018	American College of Medical Toxicology Outstanding Voluntary Service Recognition

- 2018 Publication selected for inclusion in the 2019 Medical Toxicology Lifelong Learning and Self-Assessment Reading List
- 2015 Publication selected for inclusion in the 2015 Medical Toxicology Lifelong Learning and Self-Assessment Reading List
- 2013 Delta Omega Public Health Honor Society, The George Washington University School of Public Health and Health Services
- 2013 Golden Key Academic Honor Society, The George Washington University
- 2013 Presidential Trainee Award, American Society for Clinical Pharmacology and Therapeutics, 2013 Annual Meeting
- 2008 Emergency Medicine Bedside Ultrasound Award, Department of Emergency Medicine, Hospital of the University of Pennsylvania
- 2005 Alpha Omega Alpha, Epsilon Chapter, Temple University School of Medicine
- 2004 Cephalon Achievement Award in Pharmacology, Temple University School of Medicine
- 2002 Dean's List (through graduation 2006), Temple University School of Medicine
- 2001 Merck Award for Pharmaceutical Excellence, University of the Sciences in Philadelphia
- 1999 Rho Chi, Pharmaceutical Honor Society, University of the Sciences in Philadelphia
- 1995 Dean's List (through graduation 2001), University of the Sciences in Philadelphia

6. PROFESSIONAL SOCIETY MEMBERSHIP

- 2020 – Present Fellow, American College of Clinical Pharmacology
- 2018 – Present Fellow, American Society of Addiction Medicine
- 2017 – Present Fellow, American College of Emergency Physicians
- 2017 – Present Fellow, American College of Medical Toxicology
- 2016 – Present Member, American Society of Addiction Medicine
- 2012 – Present Member, American College of Clinical Pharmacology
- 2010 – Present Member, American College of Clinical Toxicology
- 2010 – Present Member, American College of Medical Toxicology
- 2006 – Present Member, American College of Clinical Pharmacy
- 2006 – 2010 Member, Emergency Medicine Residents Association
- 2005 – Present Member, American College of Emergency Physicians
- 2005 – Present Member, Society of Academic Emergency Medicine
