

Sweets Are Not Good Treats

I like chocolate
It's very, very sweet
I like chocolate
It's a tasty, tasty treat

I like dogs
The short, fat, and tall
Young, old, in-between
I surely like them all

I have a dog
His name is Nick
I gave him some chocolate
And he got very, very sick

Nick did recover
And is still with us today
But I'll never give him
chocolate
Not ever, no way

Dogs and chocolate
Are a bad combination
If you want to give a treat
Take them on vacation
