FDA Staff Manual Guides, Volume I – Organizations and Functions

Department of Health and Human Services

Food and Drug Administration

Office of Operations

Office of Finance, Budget, and Acquisitions

Office of Acquisitions and Grants Services

Effective: October 9, 2020

1. Office of Acquisitions and Grants Services (DCNEB).

- A. Provides management direction and leadership for acquisitions, grants, cooperative agreements, technology transfers, interagency agreements, and purchase card program.
- B. Provides administrative management support to the five operational Divisions in the areas of budget execution: staff and organizational planning as well as advice and analysis of administrative policy and procedures.
- C. Serves as the focal point for developing, coordinating, and implementing Food and Drug Administration (FDA) policies and procedures pertaining to acquisitions, interagency agreements, and grants management; coordinates all administrative matters related to acquisitions, grants, cooperative agreements, interagency agreements, memoranda of understanding and purchase cards.
- D. Provides acquisition management information, overall policy, and technical support in the areas of technology transfer, patents and acquisition and assistance matters for the FDA, Department and other Federal government components.
- E. Act as liaison on contracts and grants/assistance management policy and procedural and operating matters to the Department of Health and Human Services (HHS).
- F. Provides the oversight function to all levels of the FDA for the Small Business contracting program. Supports the HHS strategic goal to encourage and assist the participation of all small businesses in FDA contracts.
- G. Facilitates collaboration between the Office of Acquisitions and Grants Services (OAGS) and the FDA Centers/Offices to provide early acquisition support and multidisciplinary technical expertise to make the acquisition process more efficient. Develops policy for printing to insure timely and cost-effective implementation of the FDA printing program.

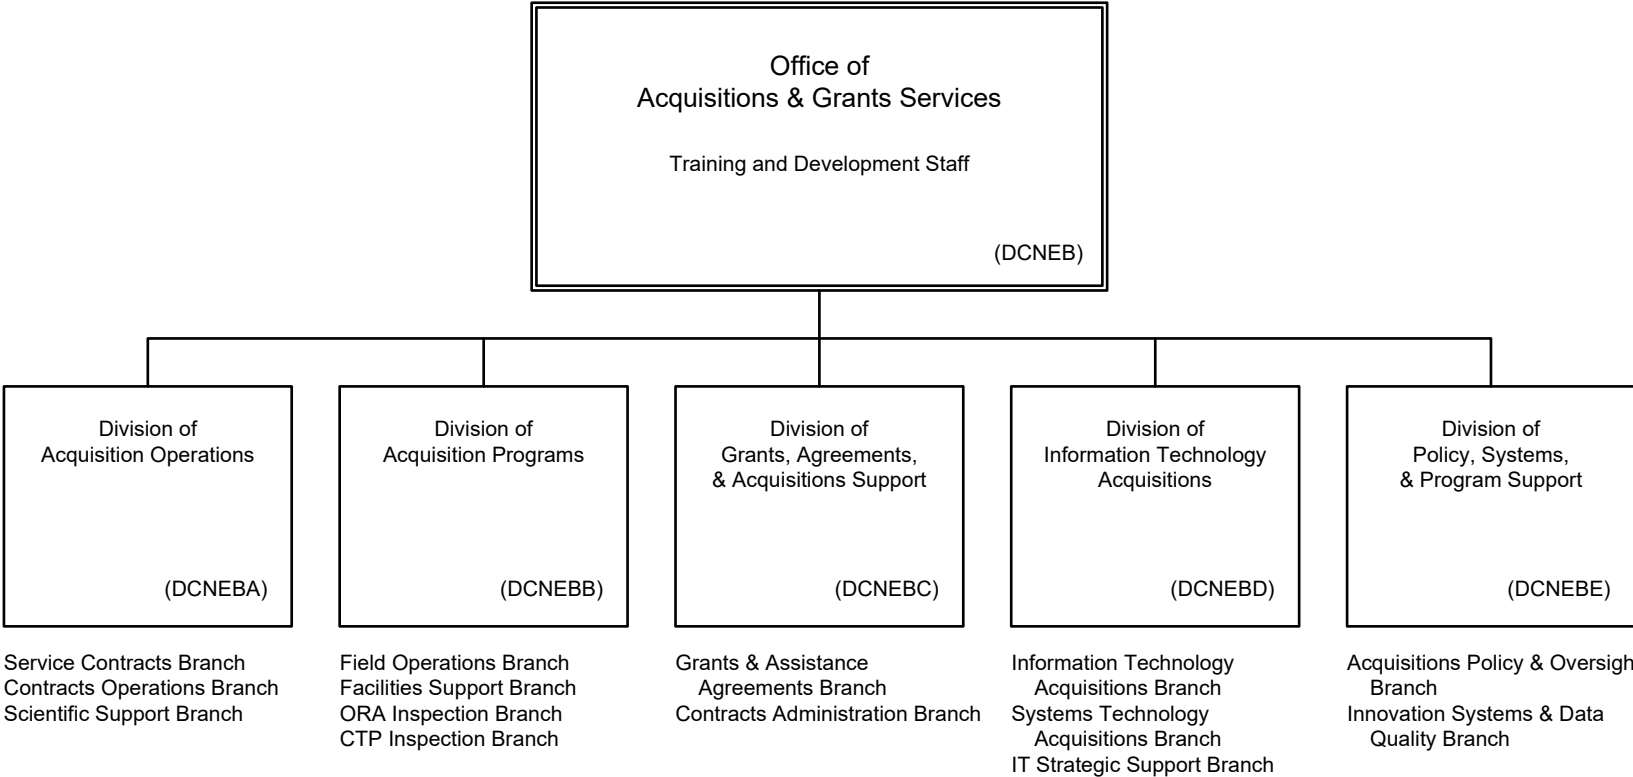

2. Training and Development Staff (DCNEB1).

- A. Provides training and development of entry level Contracts Specialists.
- B. Conducts training for Midlevel and Senior level OAGS Contract Specialists and Contracting Officers.
- C. Provides overflow processing of procurement actions below \$25,000.

3. Authority and Effective Date.

The functional statements for the Office of Acquisitions, and Grants Services were approved by the Commissioner of Food and Drugs on September 8, 2020, and effective on October 9, 2020.
