Newsom, Executive Vice President STREET ADDRESS FIRM NAME Sunland, Inc. 42593 US Highway 70 CITY, STATE AND ZIP CODE TYPE OF ESTABLISHMENT INSPECTED Portales, NM 88130 peanut butter manufacturer (3) Failure to wear beard covers in an effective manner. Specifically, 1 employee, with a bushy mustache, working on the filling line was not wearing a beard cover. A second employee with a beard and mustache and working on the same line was wearing a beard cover that did not cover his mustache. (4) Employees did not wash/sanitize hands after each absence from the work station. Specifically, 3 employees were observed entering the finished product fill room and working on the fill line without washing their hands. (5) Failure to maintain equipment used to hold food ingredients in a manner that protects them from contamination. Specifically, brittle, broken and missing gaskets were observed on the underlids of the sale, sugar and stabilizer bins. (6) Lack of effective hand cleaning and sanitizing prepartions. Ees 3/10/09 Specifically, there was no soap or sanitizer at the hand sink in the grinding room. This was the only hand washing station in the grinding room.
